**Kiku Kinkajou and his friend Fifi Fennec Fox
were hanging around at
Grandpa Kinkajou's house.**

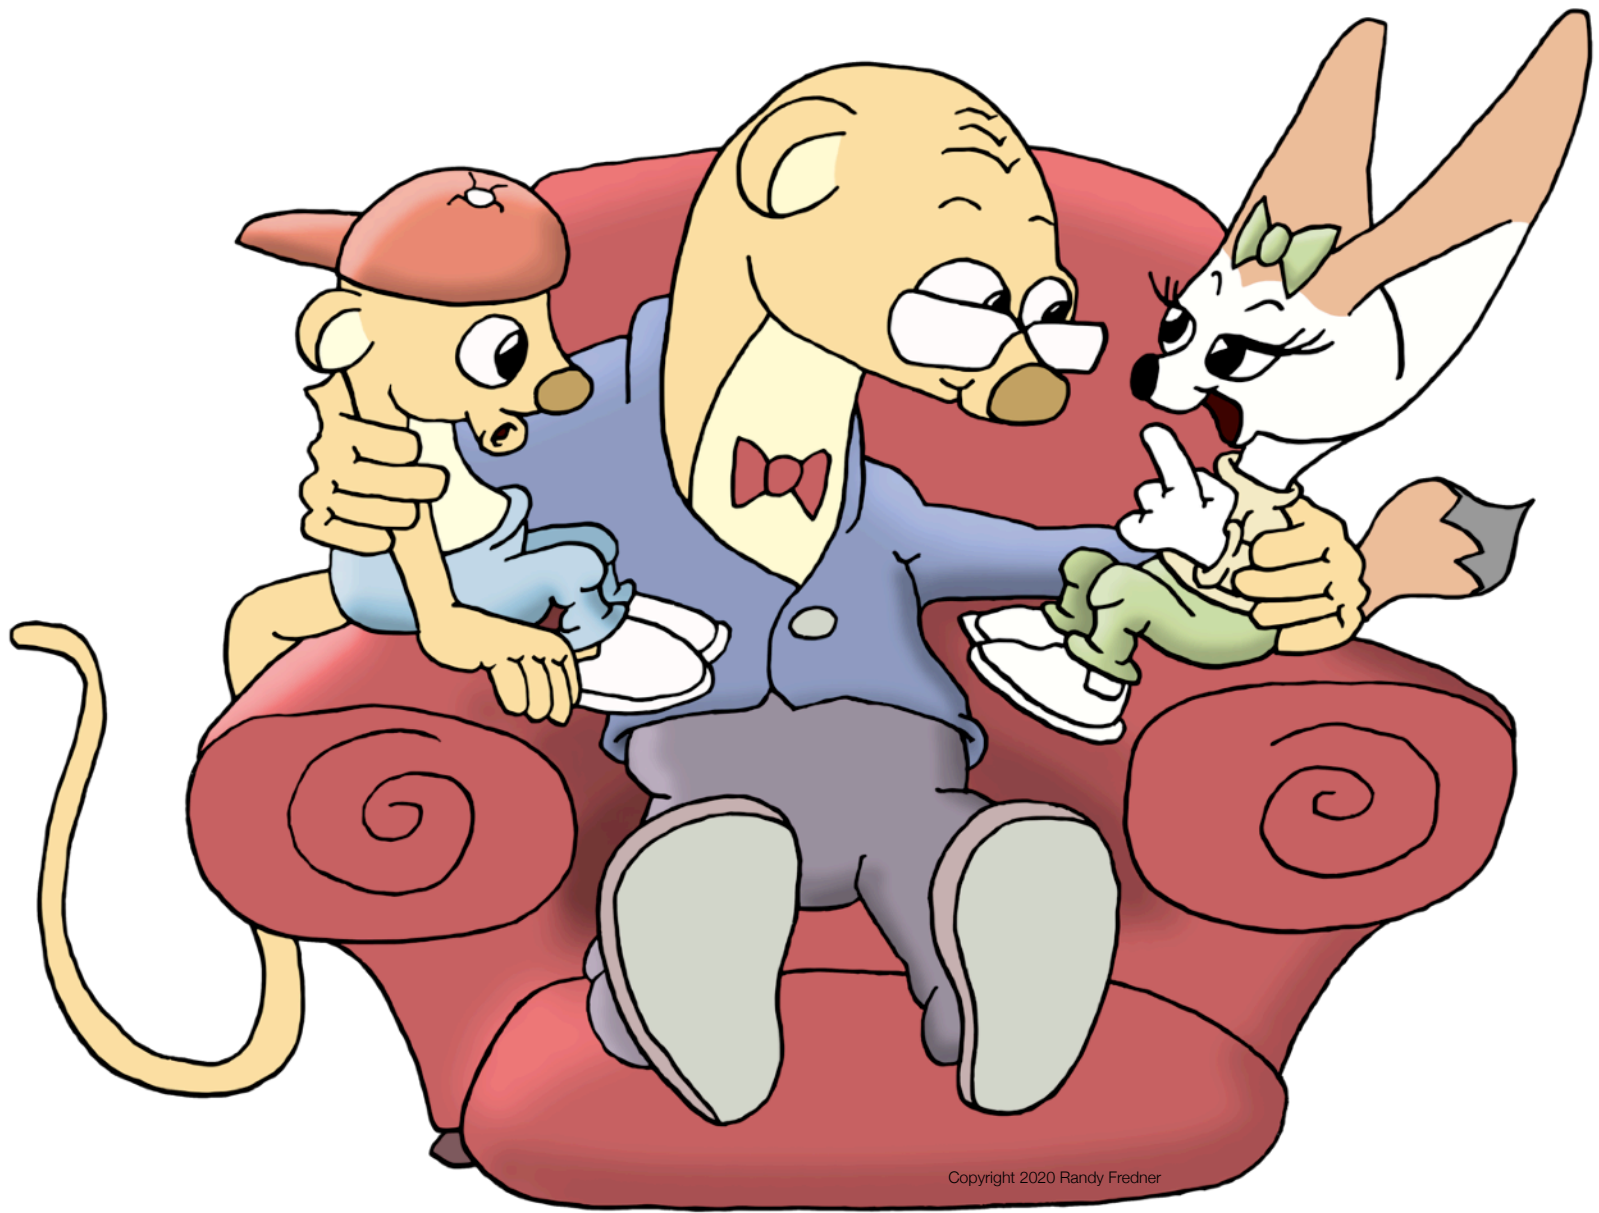

**Kiku saw a photo on the wall
and said:**

**“Grandpa, I didn’t know
you were an actor!”**

“Oh, sure!”, said Grandpa.
“In fact, when I was in the movies...”

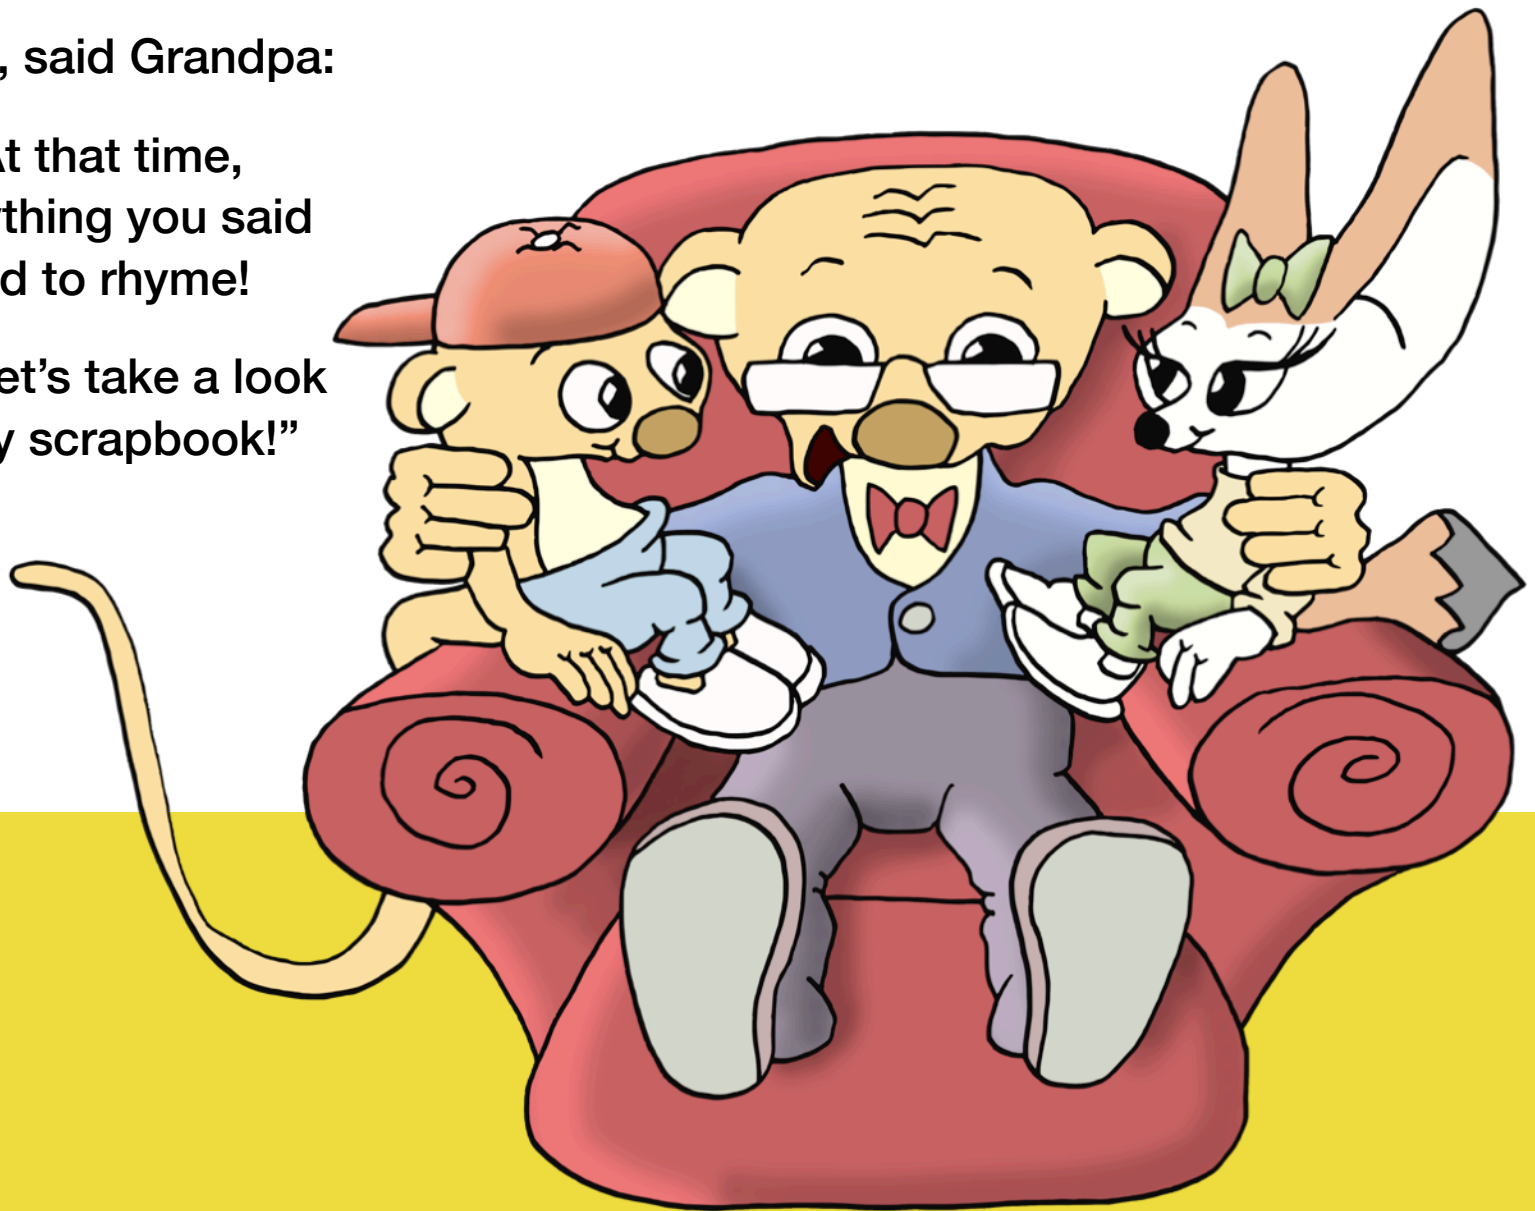

“You were in the movies?!!!” Said Fifi.

“Please tell us about it!!”

“Well”, said Grandpa:

“At that time,
everything you said
had to rhyme!

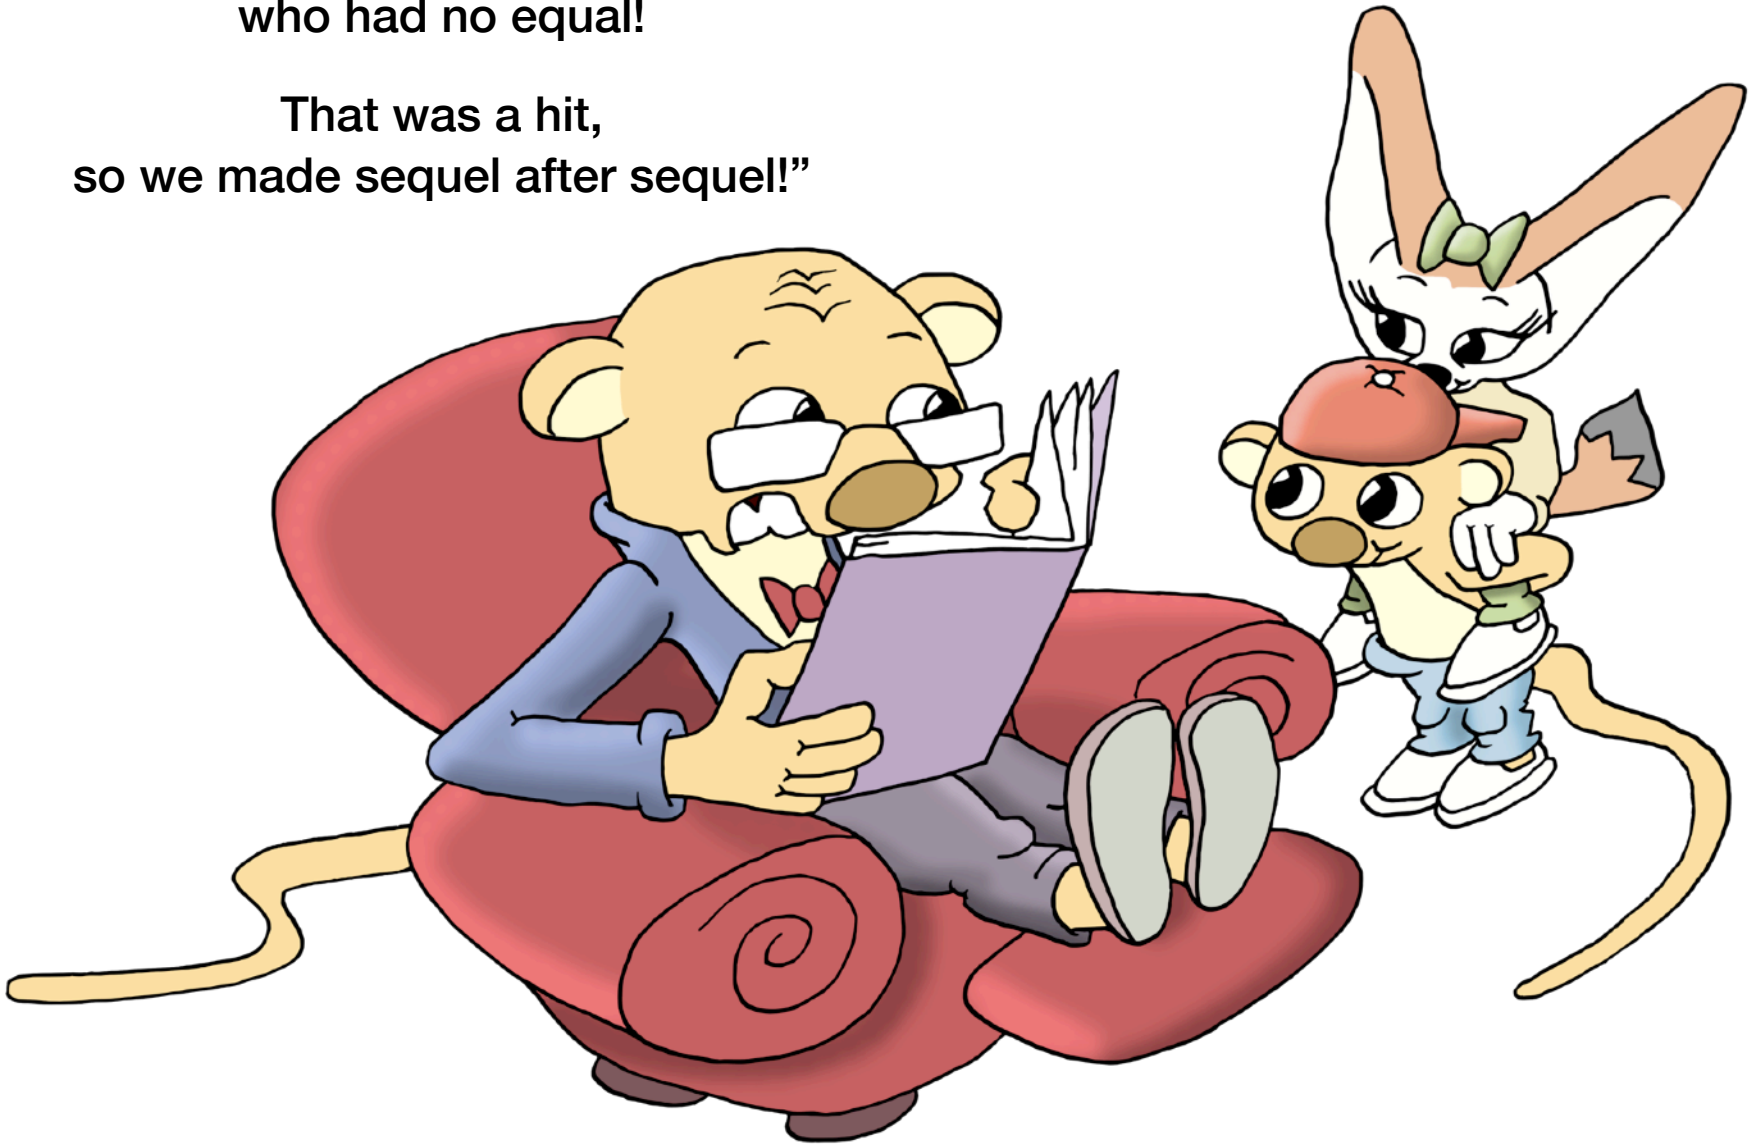

Now let’s take a look
in my scrapbook!”

**“I played a secret agent
who had no equal!**

**That was a hit,
so we made sequel after sequel!”**

“The audience loved ‘em,
but the critics claimed

they were all
pretty much the same!”

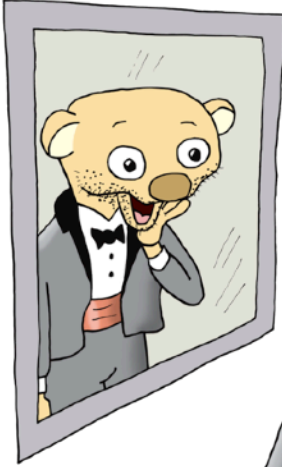

**OUCH!

CANDY!**

**I FEEL YOUR PAIN,
DOUBLED-OVER-SEVEN!**

**THAT WAS A CLOSE SHAVE!
AND THAT'S
EXACTLY WHAT I NEED...
A CLOSE SHAVE!**

**YES,
STUBBLE-O-SEVEN!**

I'M REALLY BOTHERED
BY THIS MISSION!

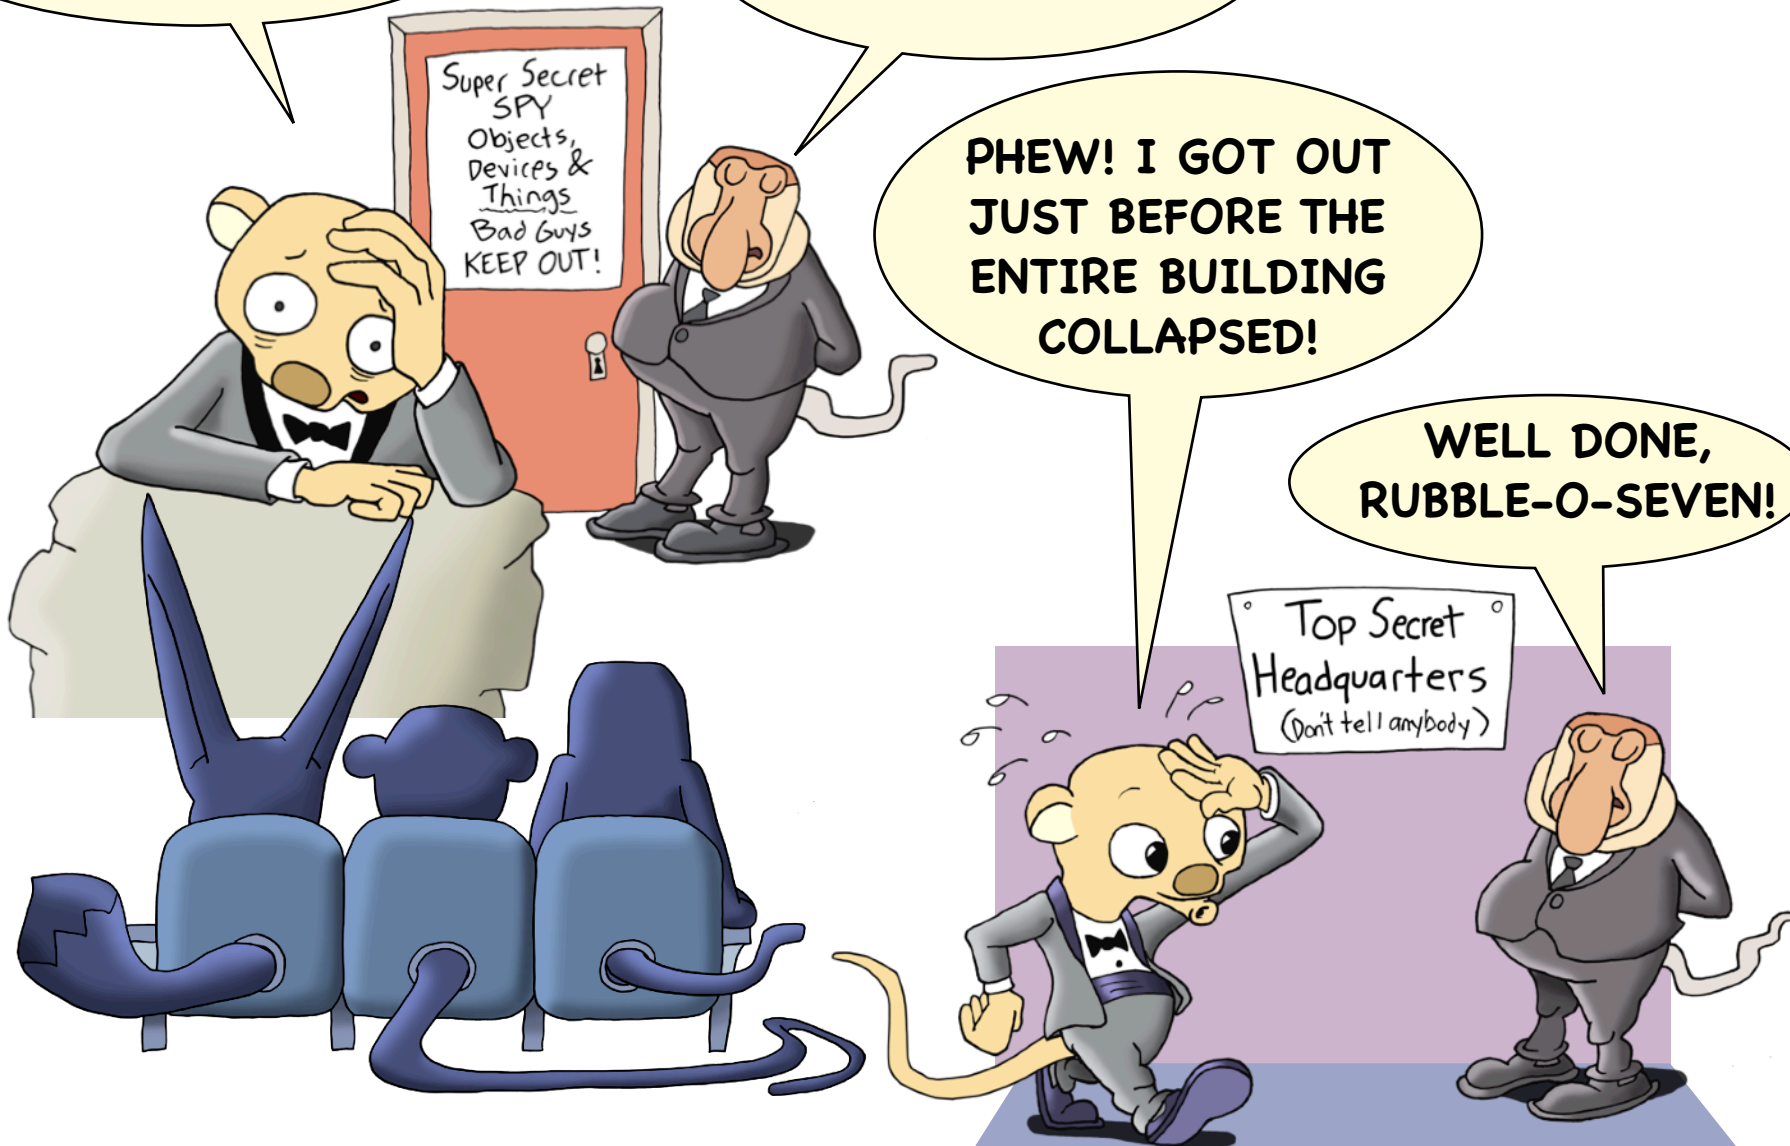

SORRY TO HEAR THAT,
TROUBLED-O-SEVEN!

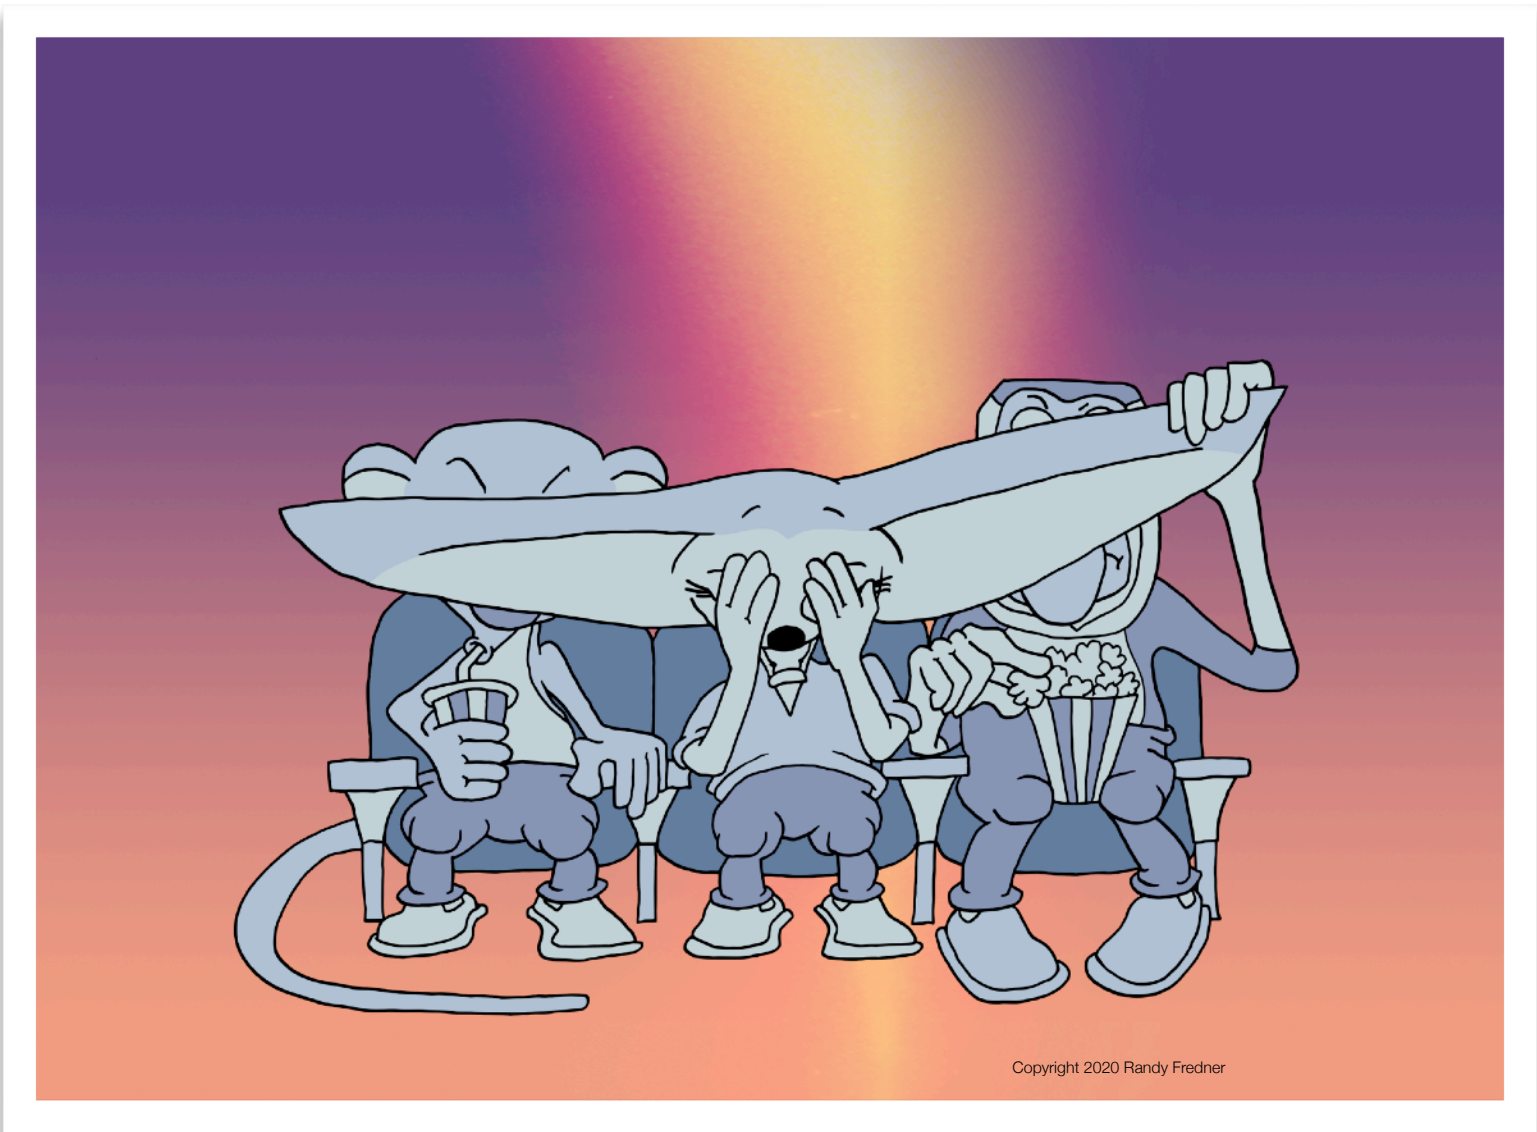

PHEW! I GOT OUT

**“The next film we made
was kinda scary in the dark,
but everybody loved it...”**

**“Were the movies any good?”
Asked Kiku.**

**Grandpa replied:
“Some were great, there is no doubt!
Some, I’d rather not talk about!”
One we made was completely insane!
Maybe you’ve heard of it...”**

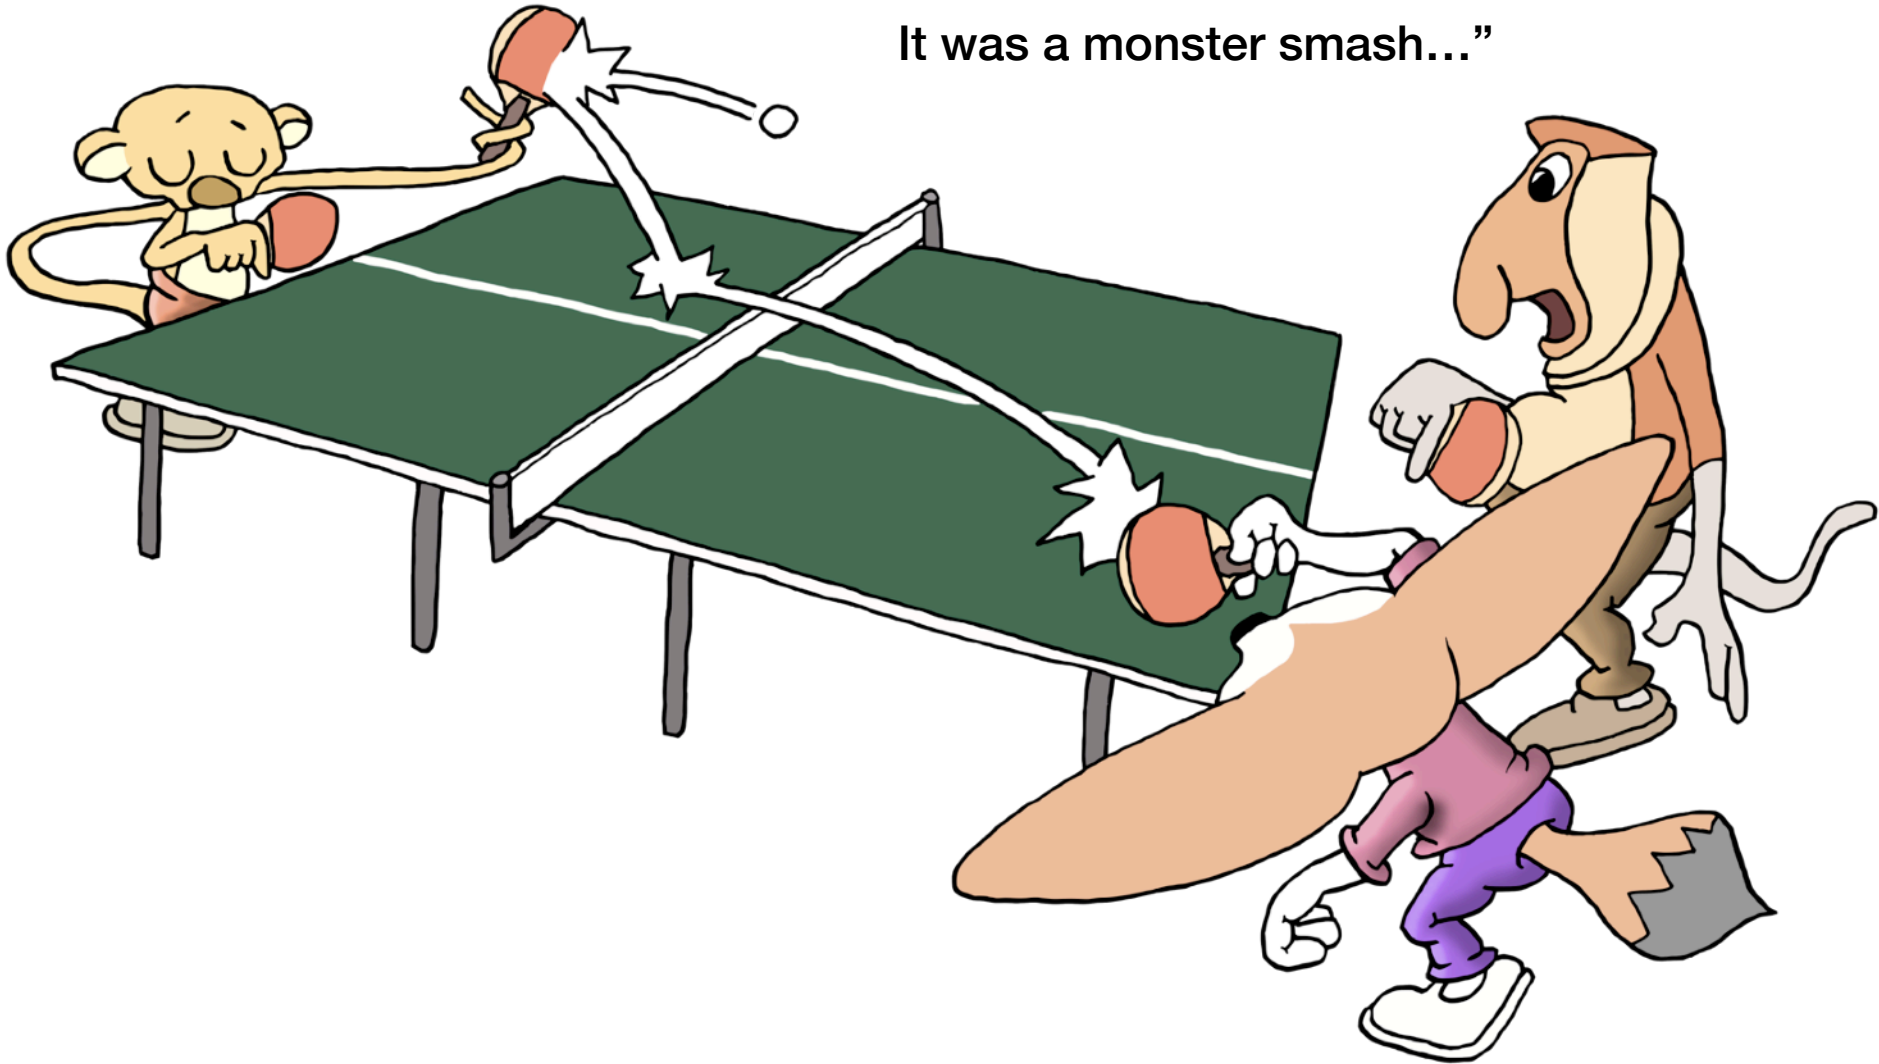

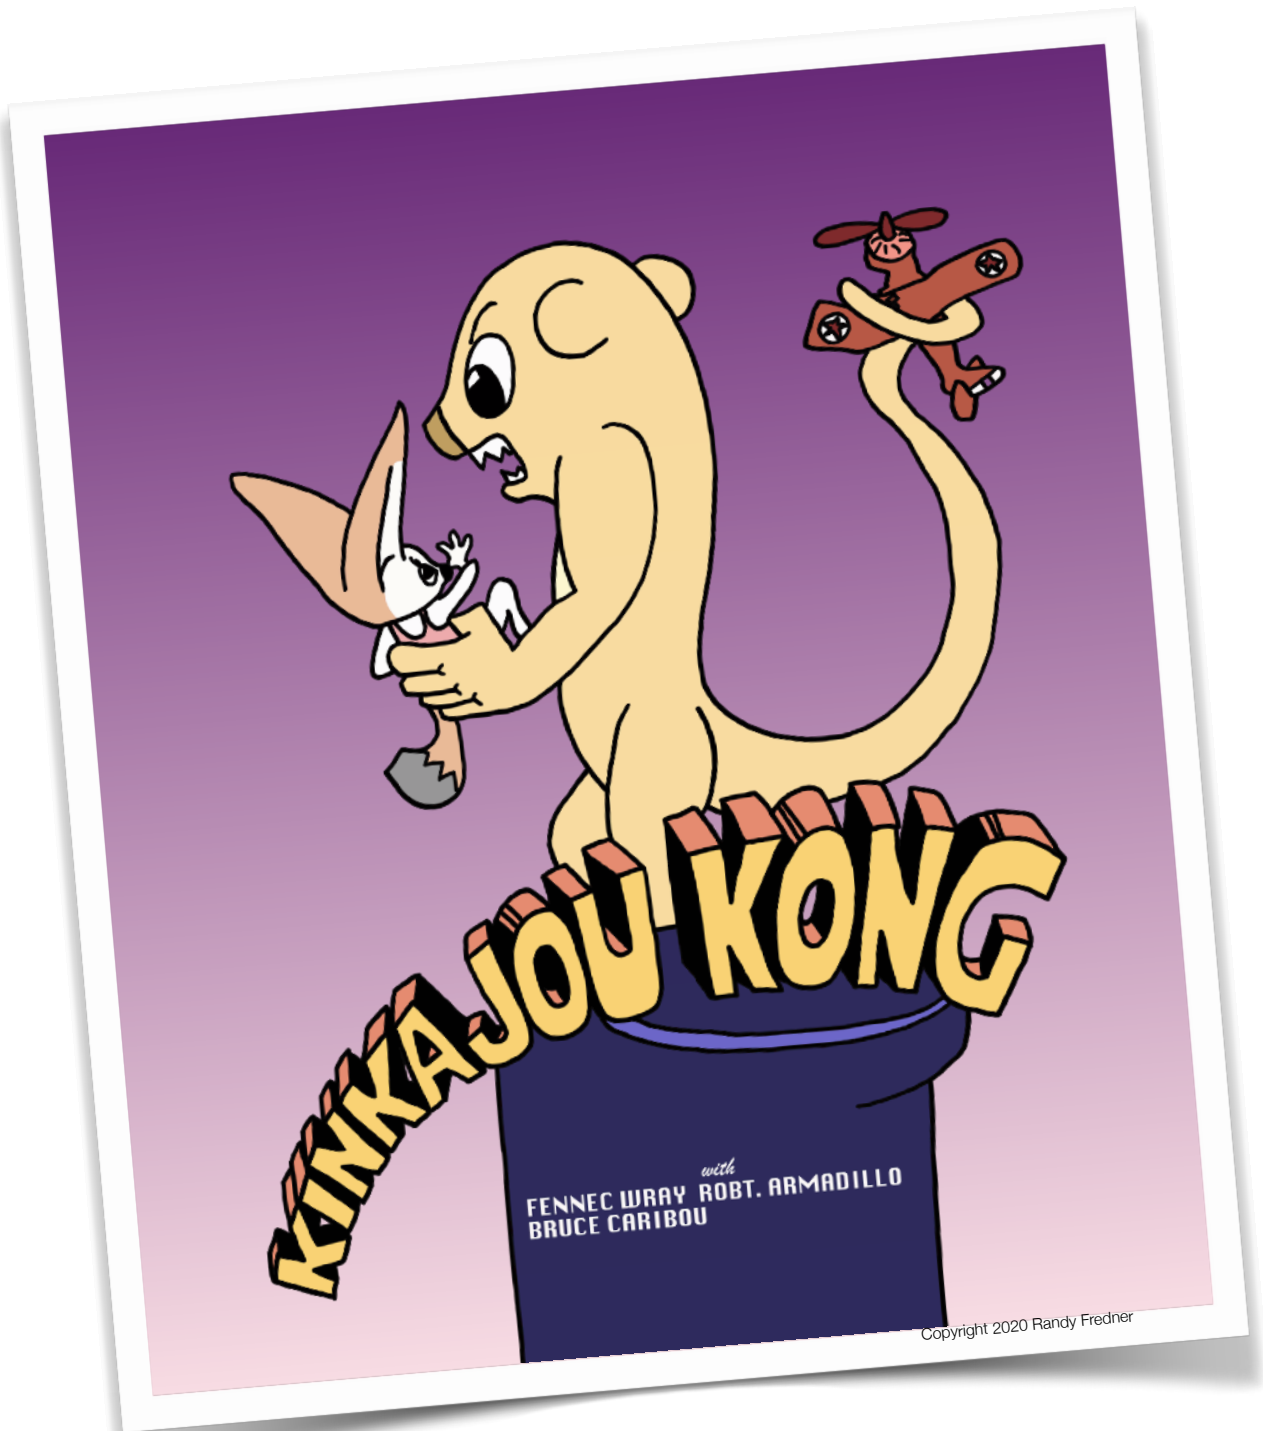

“Then I played
an oversized critter

who ran amok in the city
and gave people jitters!

In between scenes,
we’d play ping pong.

It was a monster smash...”

“Fifi, your Grandma and I
starred in a romantic tale

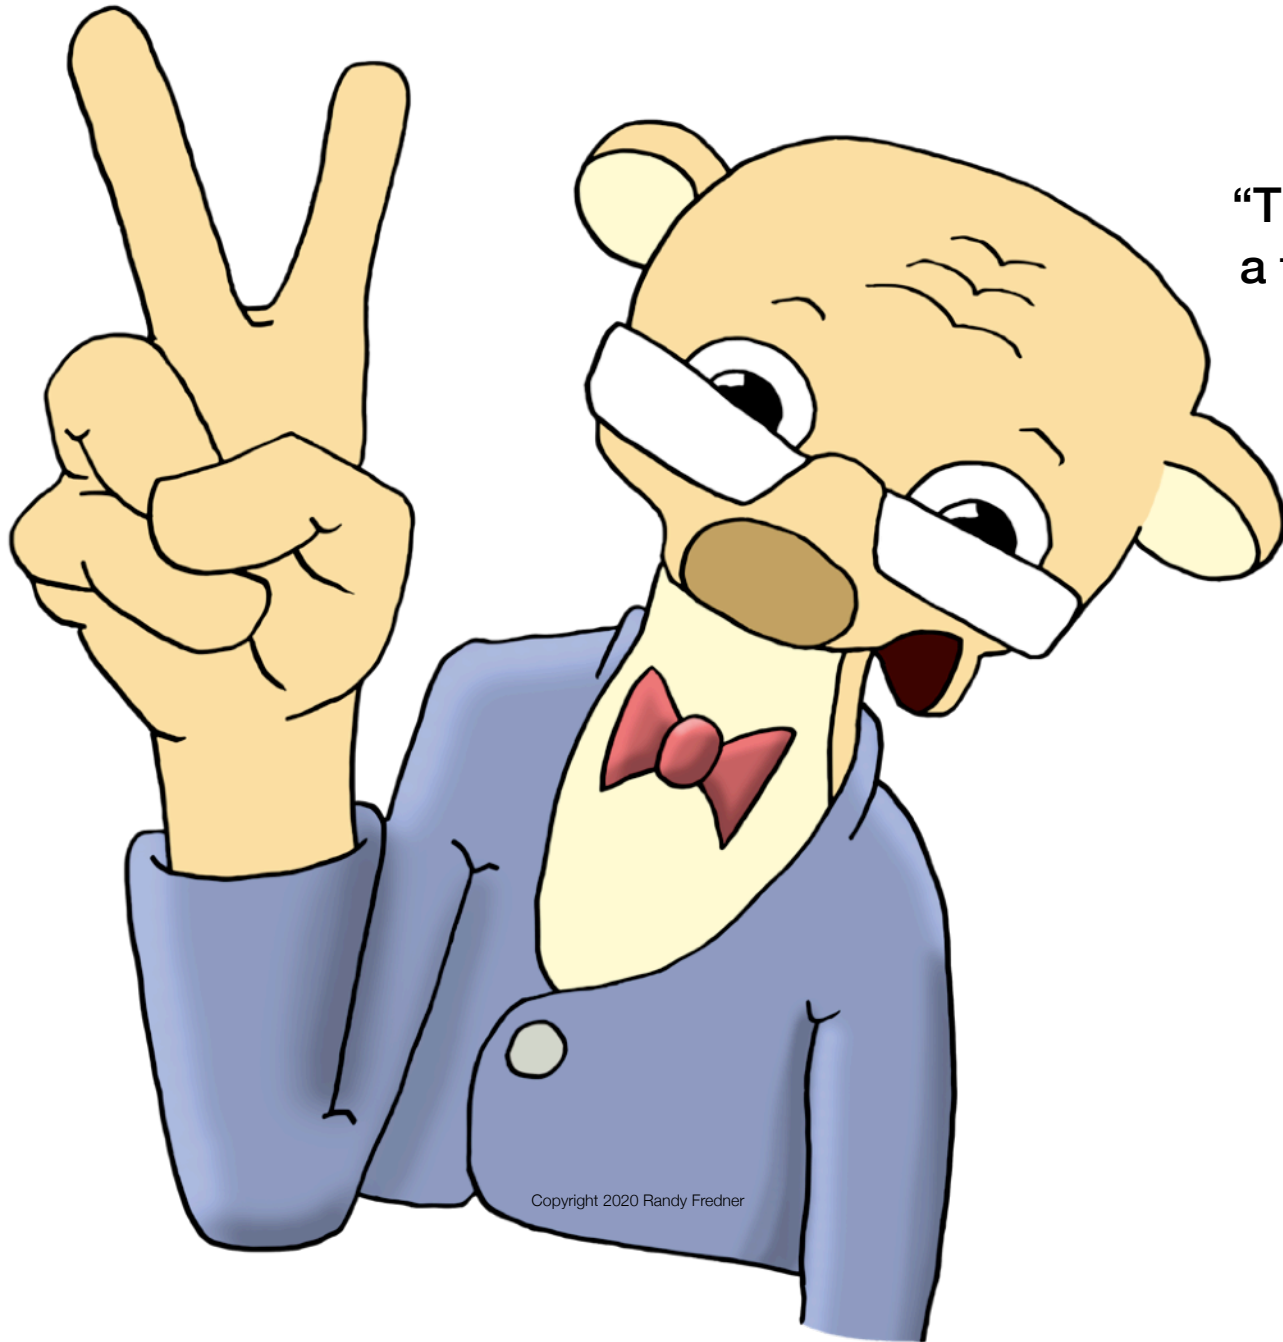

about a couple with a beluga
called...”

Then Grandpa said:

“The next one was about
a two-headed creature!”

“So you could call it
a double-feature!”

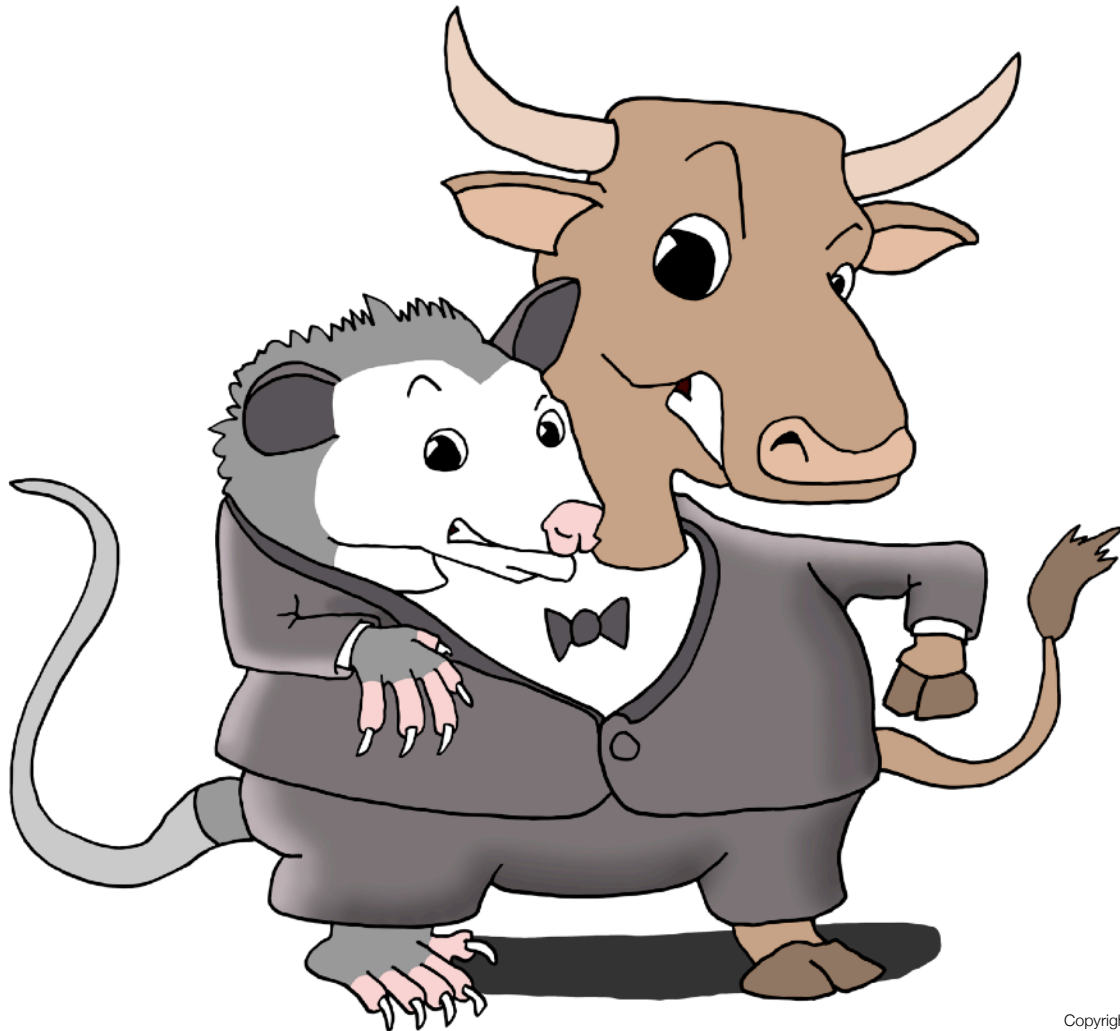

Added Fifi.

“Good rhyme!”
Said Grandpa.

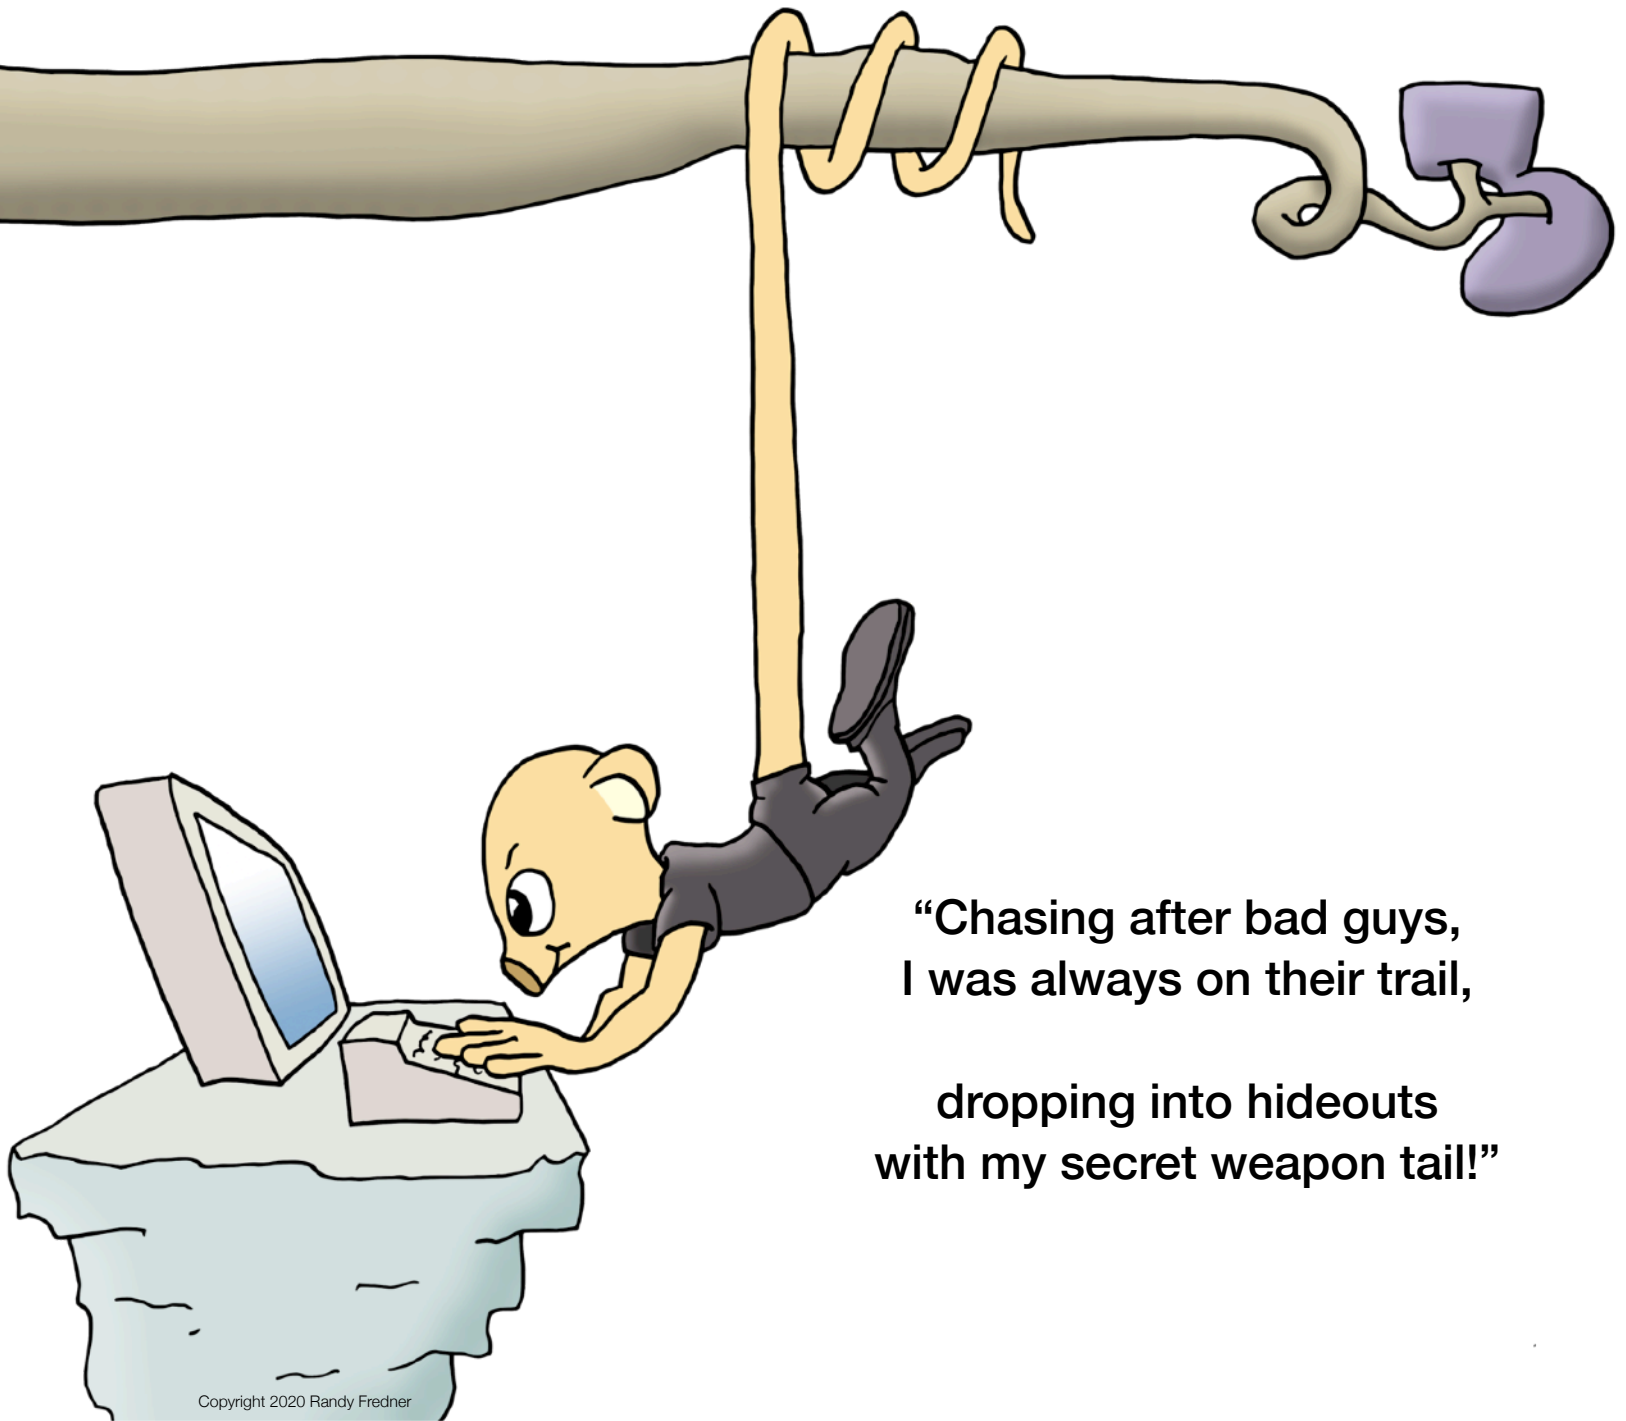

Then he added:

“I guess it wasn’t
really plausible,
but it was a hit...”

MISSION: OPOSSUM-BULL

**“Chasing after bad guys,
I was always on their trail,

dropping into hideouts
with my secret weapon tail!”**

**“Fifi’s grandma and I
watched it in 3-D,
but Proboscis said:
‘That’s not good enough for me!’”**

**“And so, that picture,
he did see
in 3-D, 6-D, 9-D, 12-D!”**

After Grandpa finished his story Kiku said:

“It’s hard to believe
that all could be true!

Maybe downstairs
we’ll find a clue!”

Then they found it
in the back of the garage!

They couldn't believe their eyes,
was it a mirage?

Over in the corner
was something really neat...

...a "Spy-cycle" for two...

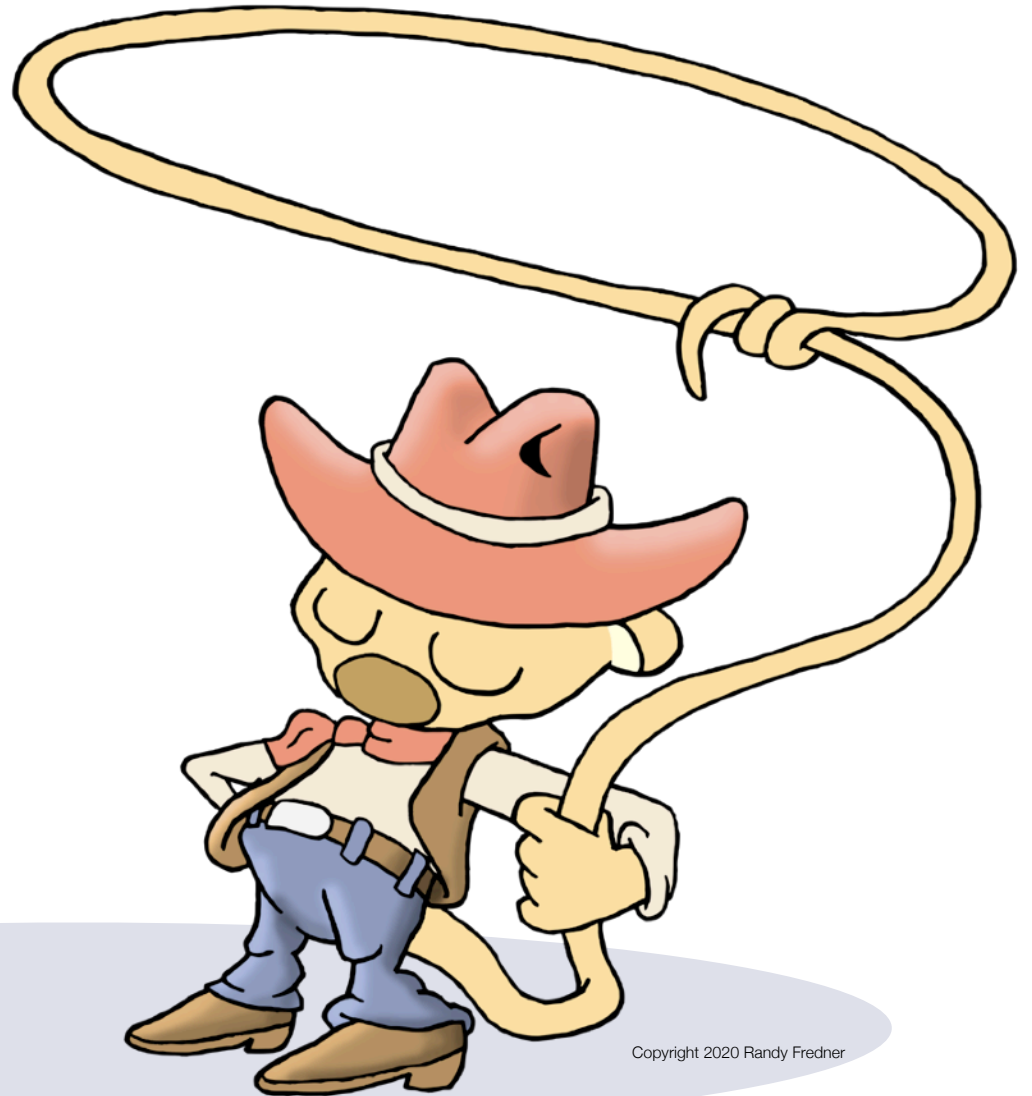

...with an ejector seat!

In the garage
they also found
some old costumes
lying around.

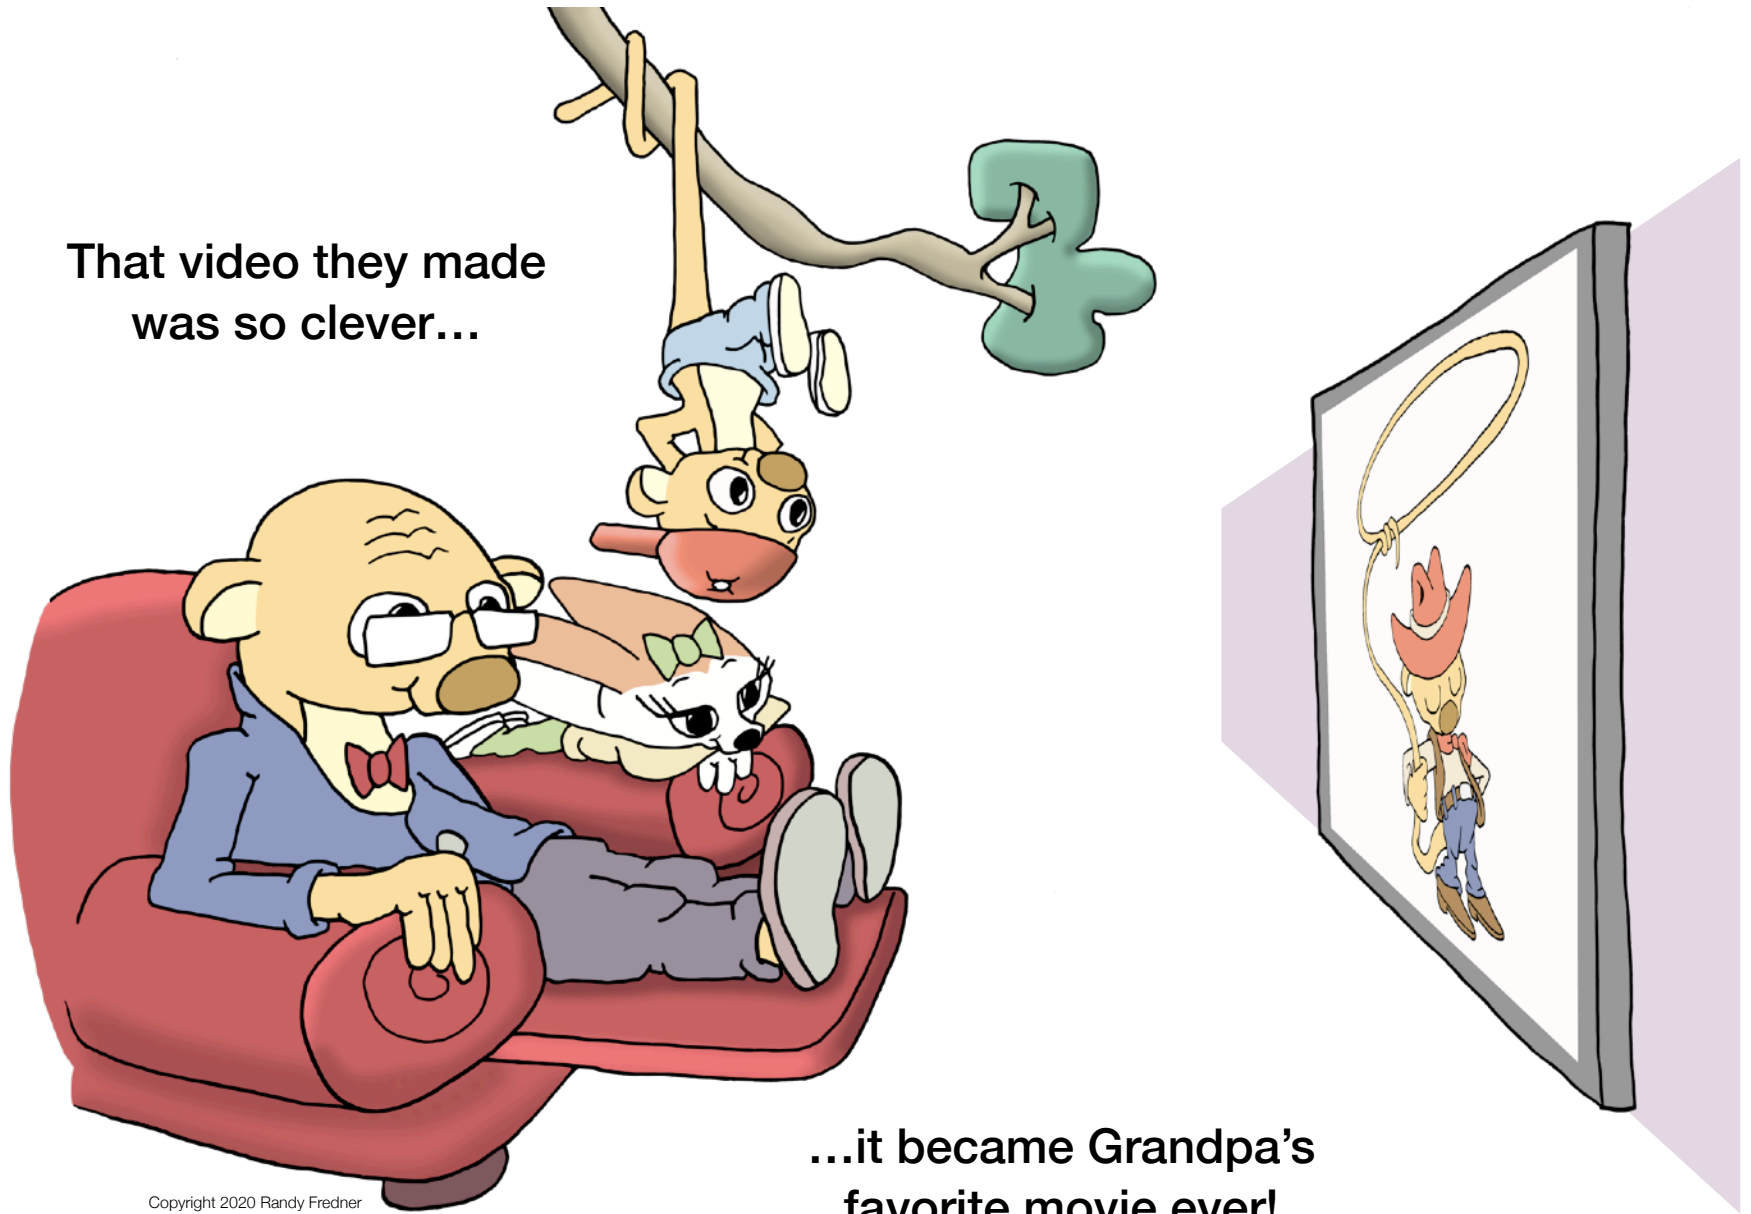

Fifi said:
“Your Grandpa let us
use his phone!”

Let’s make a movie
of our own!”

That video they made
was so clever...

...it became Grandpa's
