Here's your homework  
about life at the equator.

It's due tomorrow,  
not a minute later!

“I’ll do it this afternoon”, thought Kinkajou.

“After I’ve played for an hour or two!”

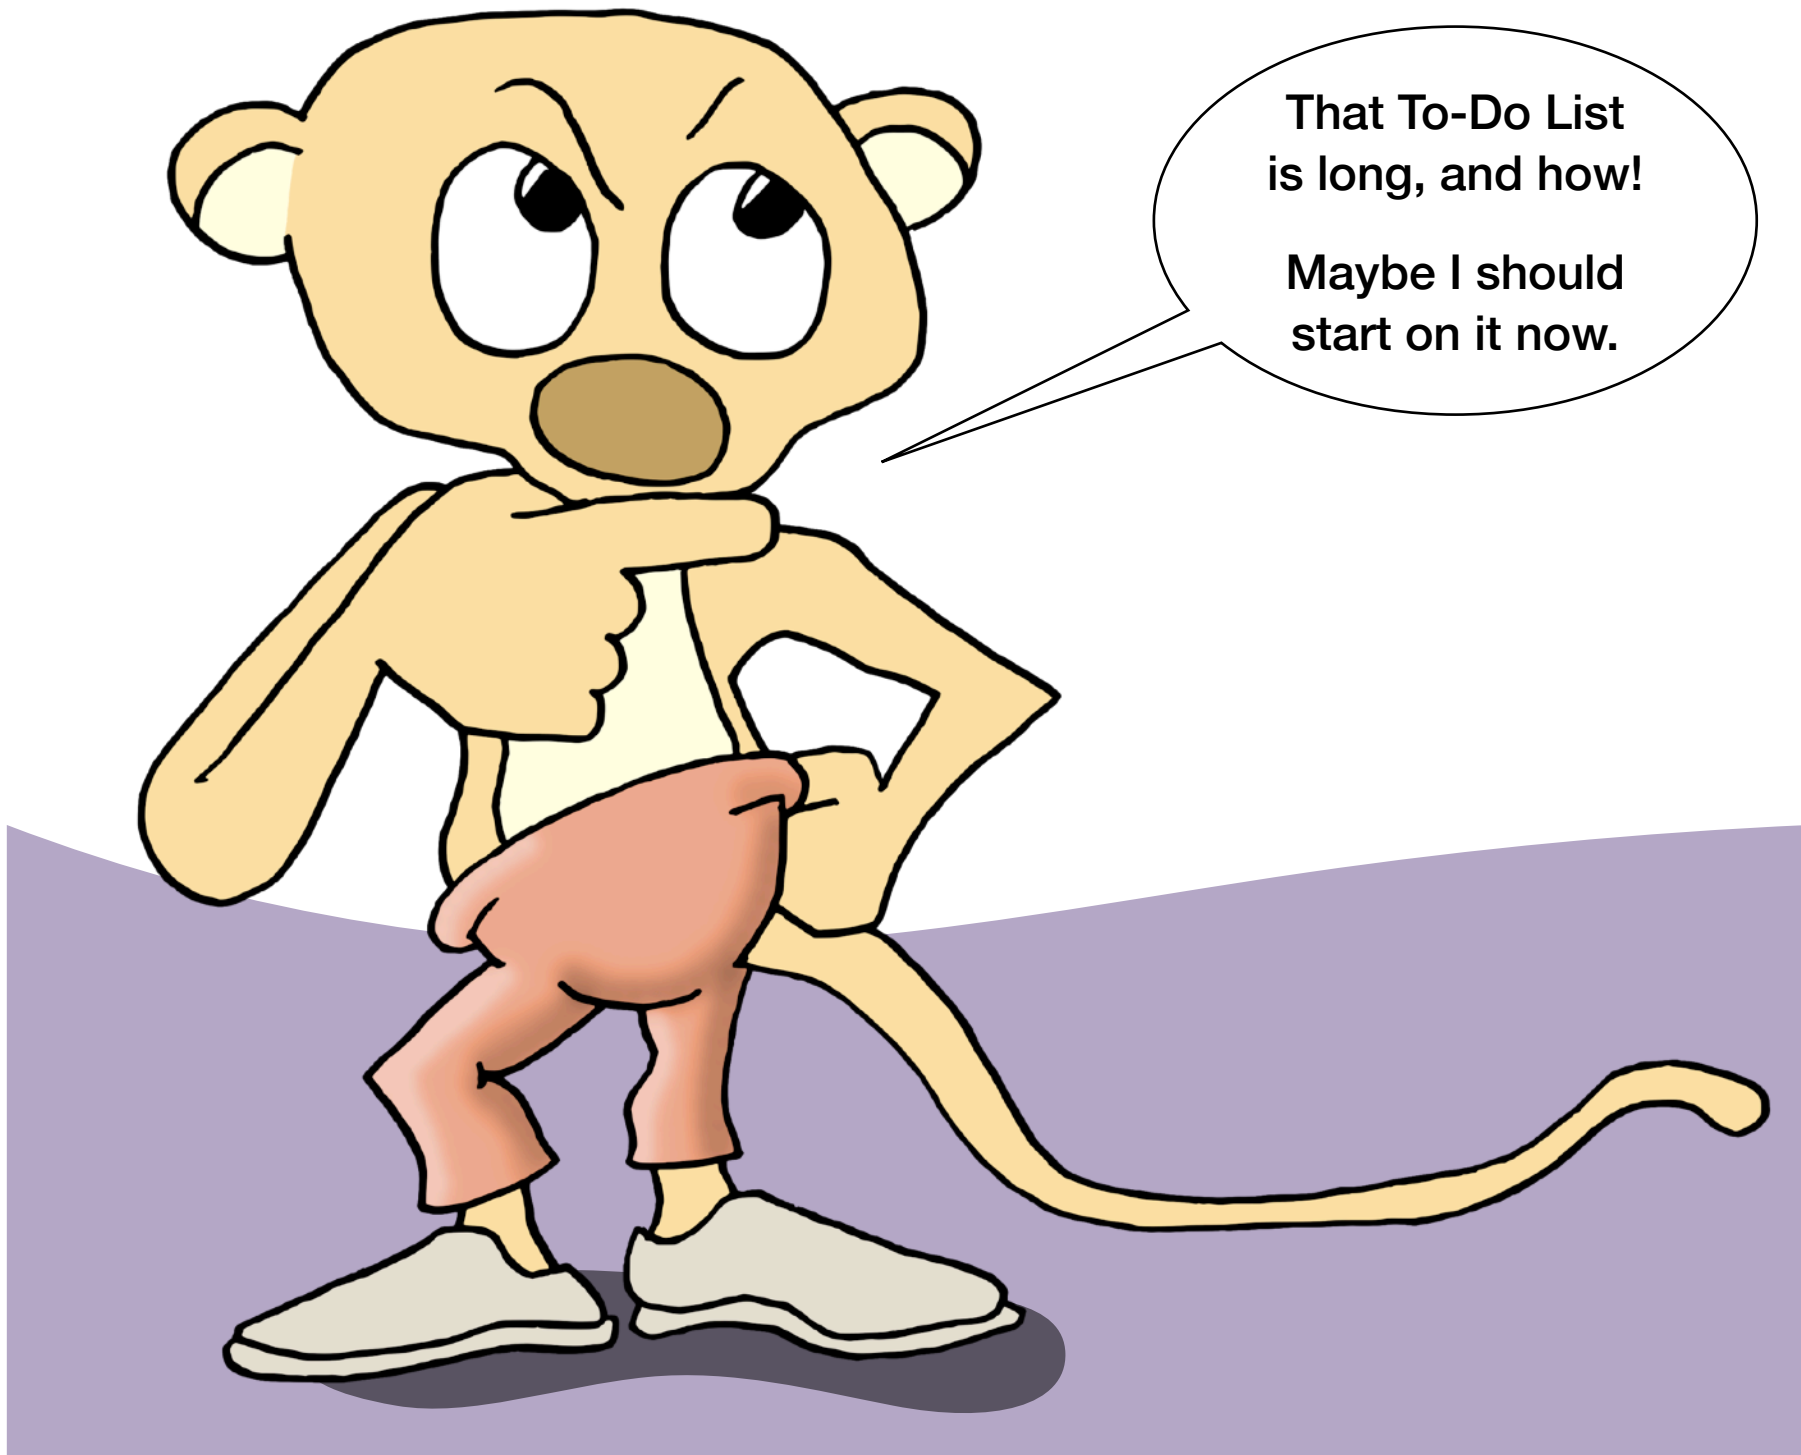

Kinkajou got home,  
ready to play,

then he heard  
his mother say:

“There’s a list for you  
on the refrigerator

of things you need to do,  
don’t wait until later!”

- Do homework
- Clean your room
- Sweep walk
- Help Dad with car
- Peel 'taters
- Do dishes
- Take a bath

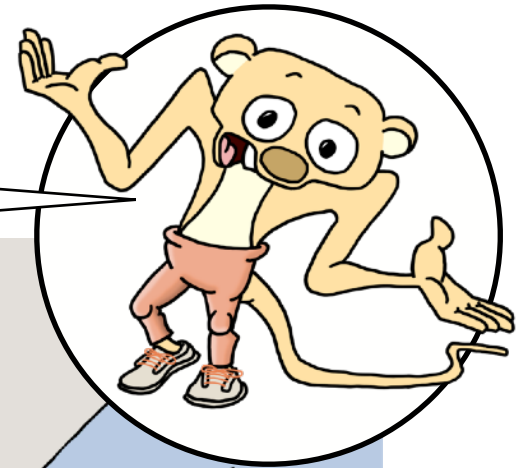

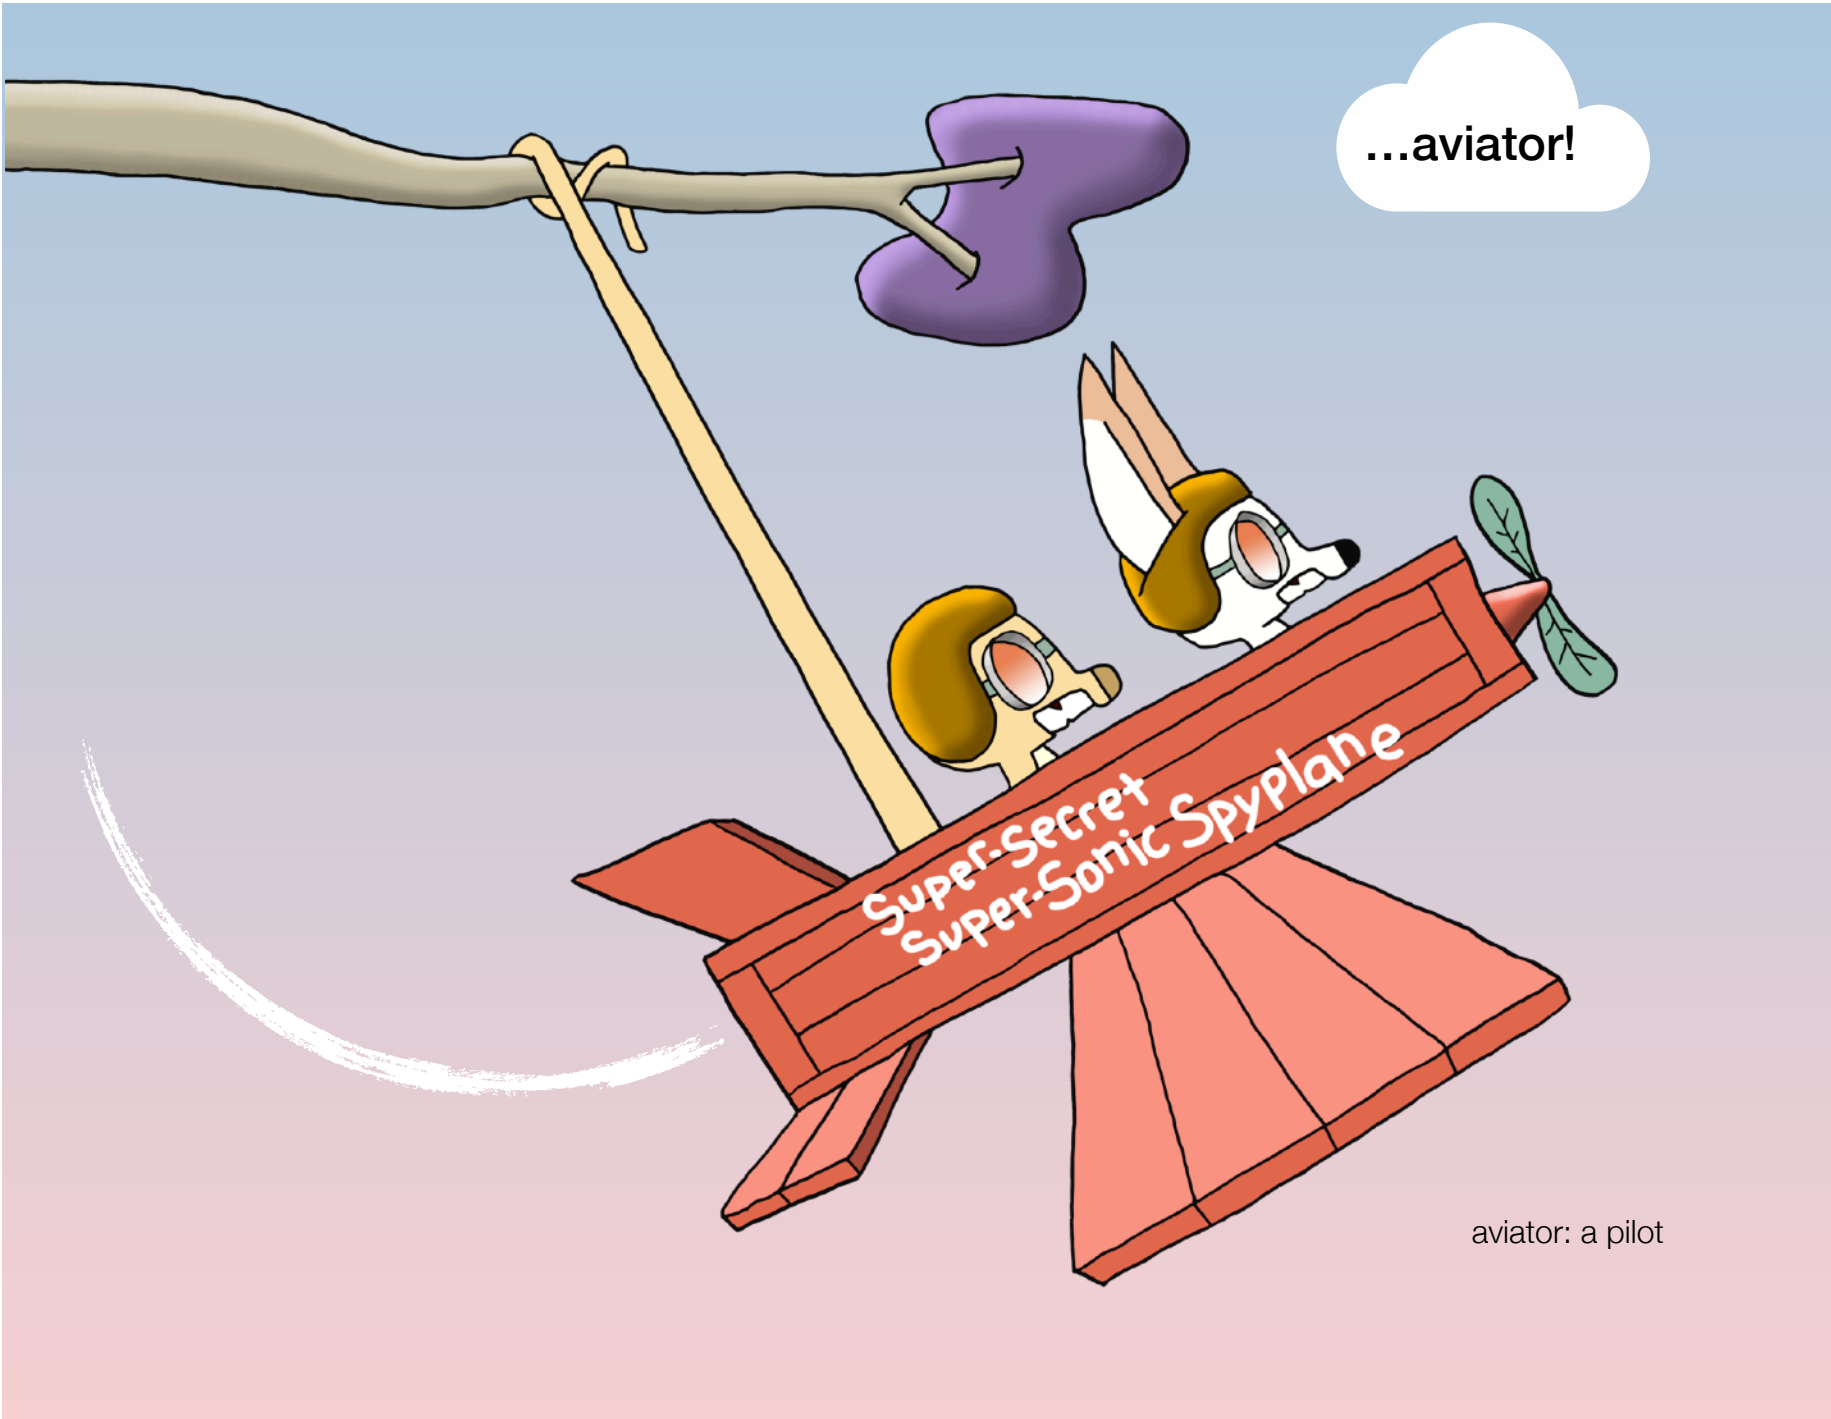

Then Fennec arrived  
and said “Hey,  
how are you, Kinkajou,  
do you want to play?”

Play? I guess I am a mess creator,  
But clean my room? I'll do it later!

Now let's go play...

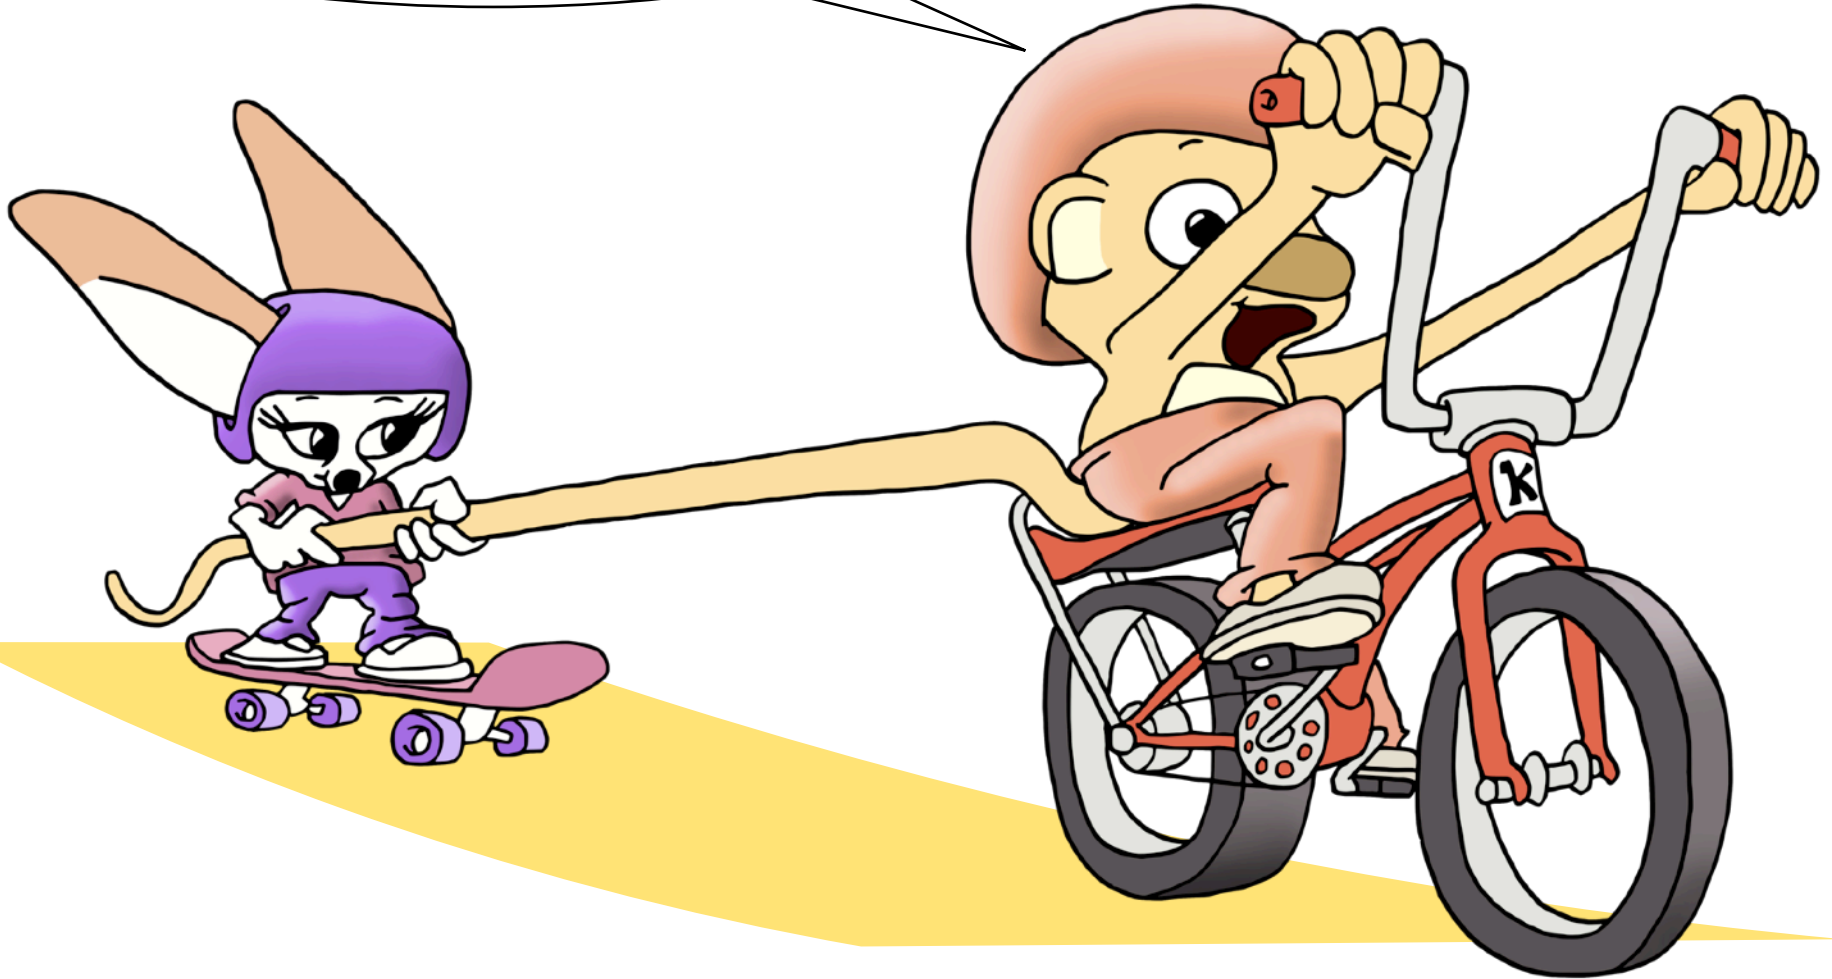

...aviator!

aviator: a pilot

Sweep the walk? I'll do it later!  
Right now I'm busy towing a skater!

Kinkajou, ready to help me  
fill the radiator,

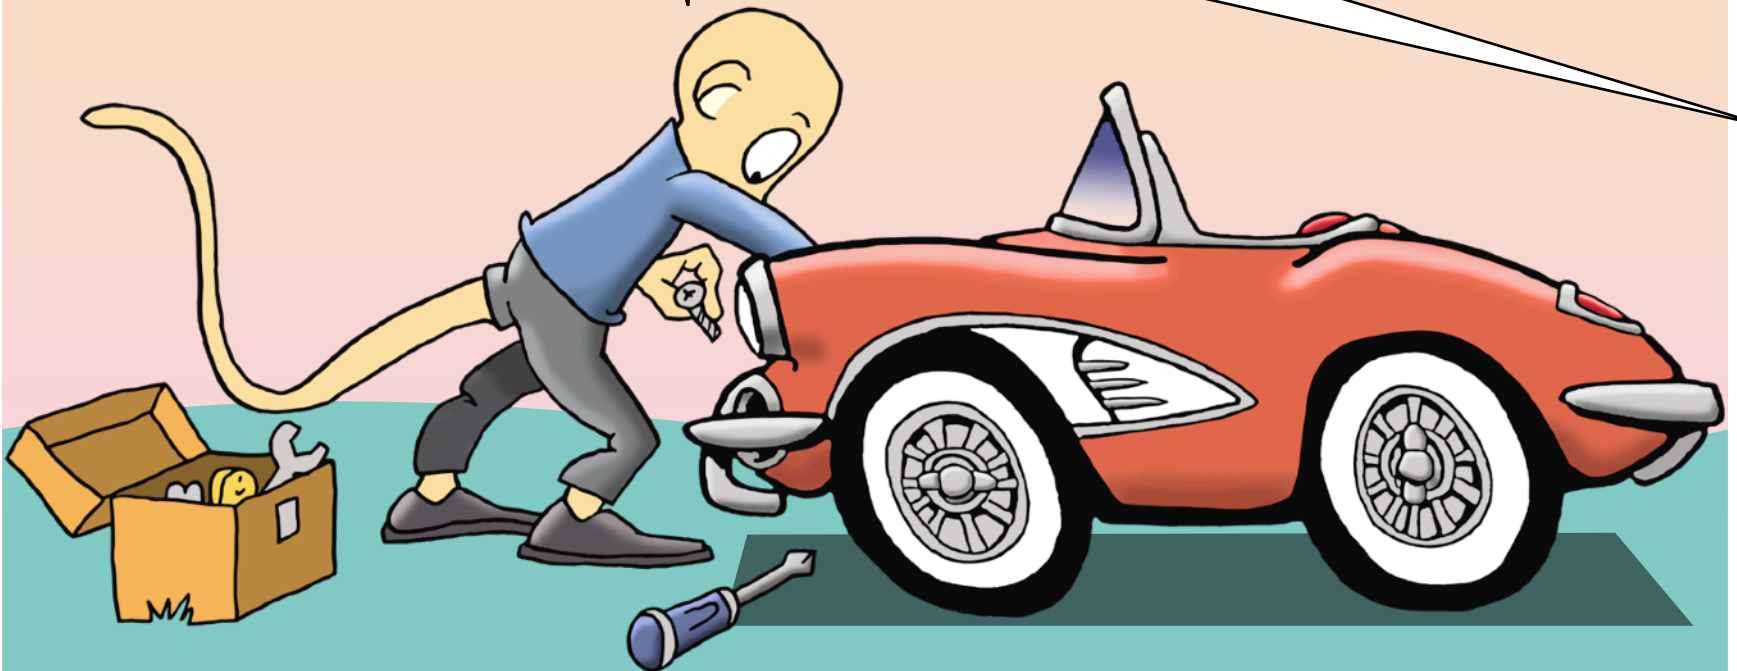

I'll do it later!

change the alternator,

I'll do it later!

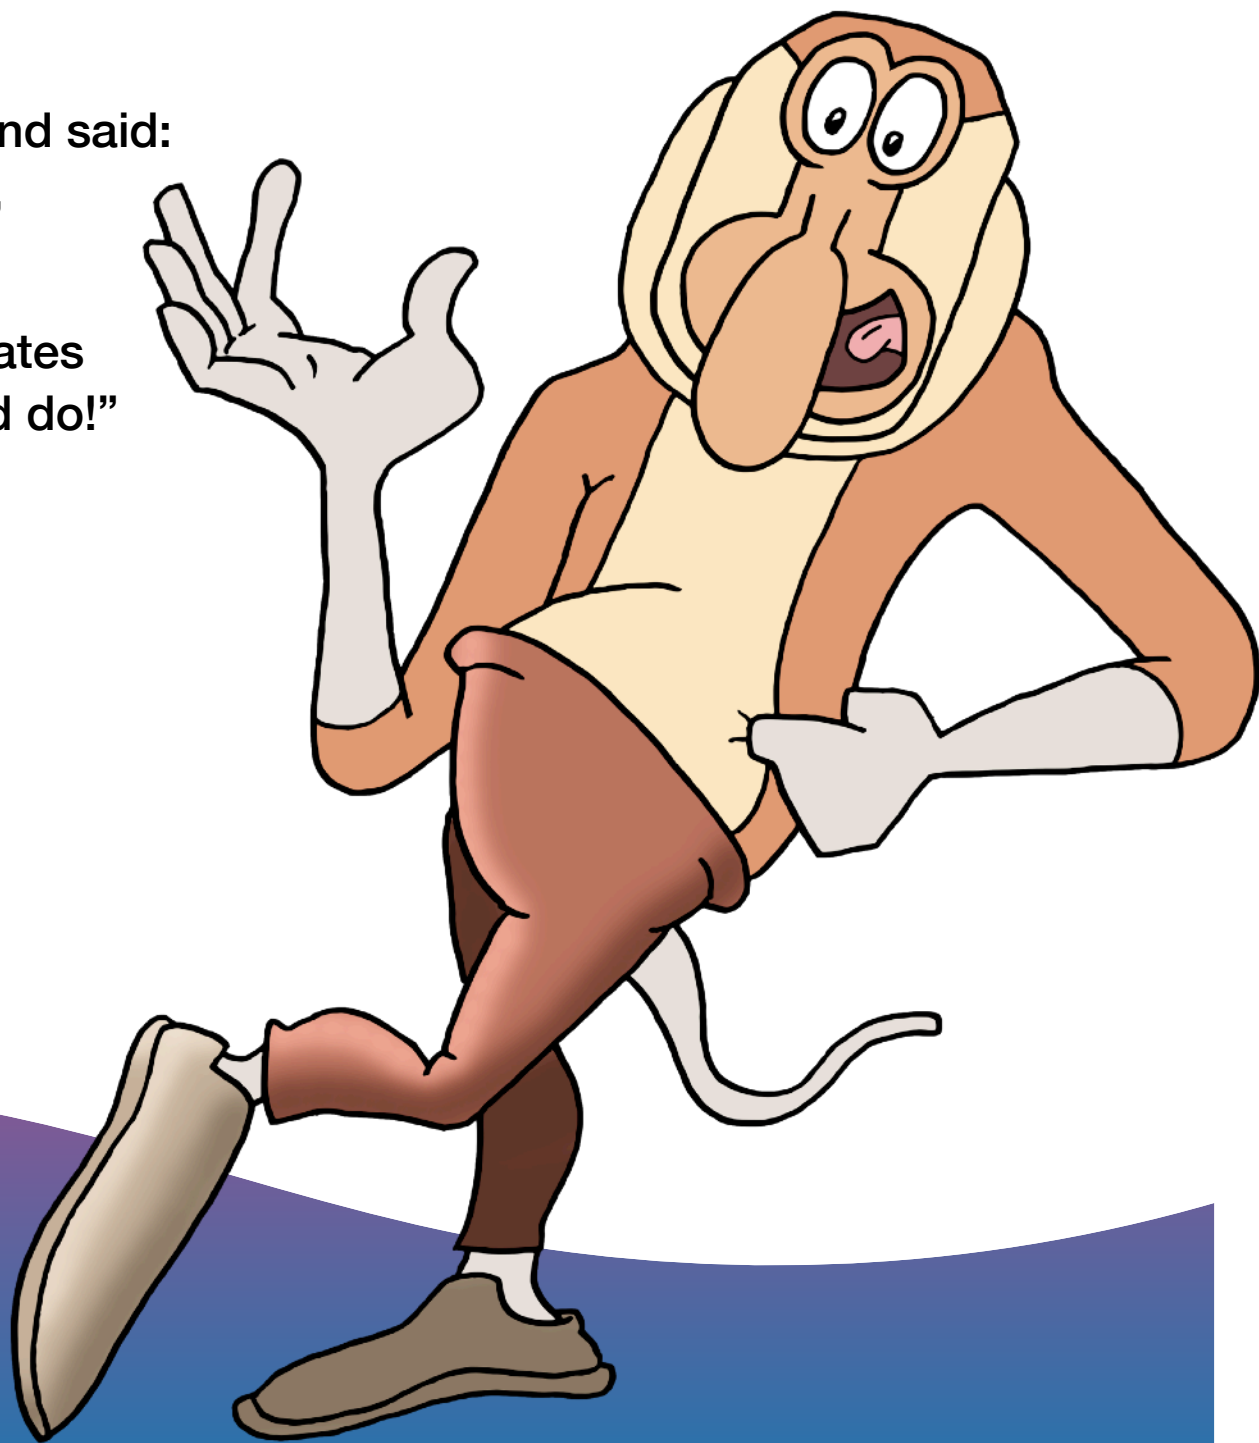

and adjust the carburetor?

I'll do it later!

Proboscis came along and said:  
“What about me,  
can I play too?”

Pretending to be pirates  
is something we could do!”

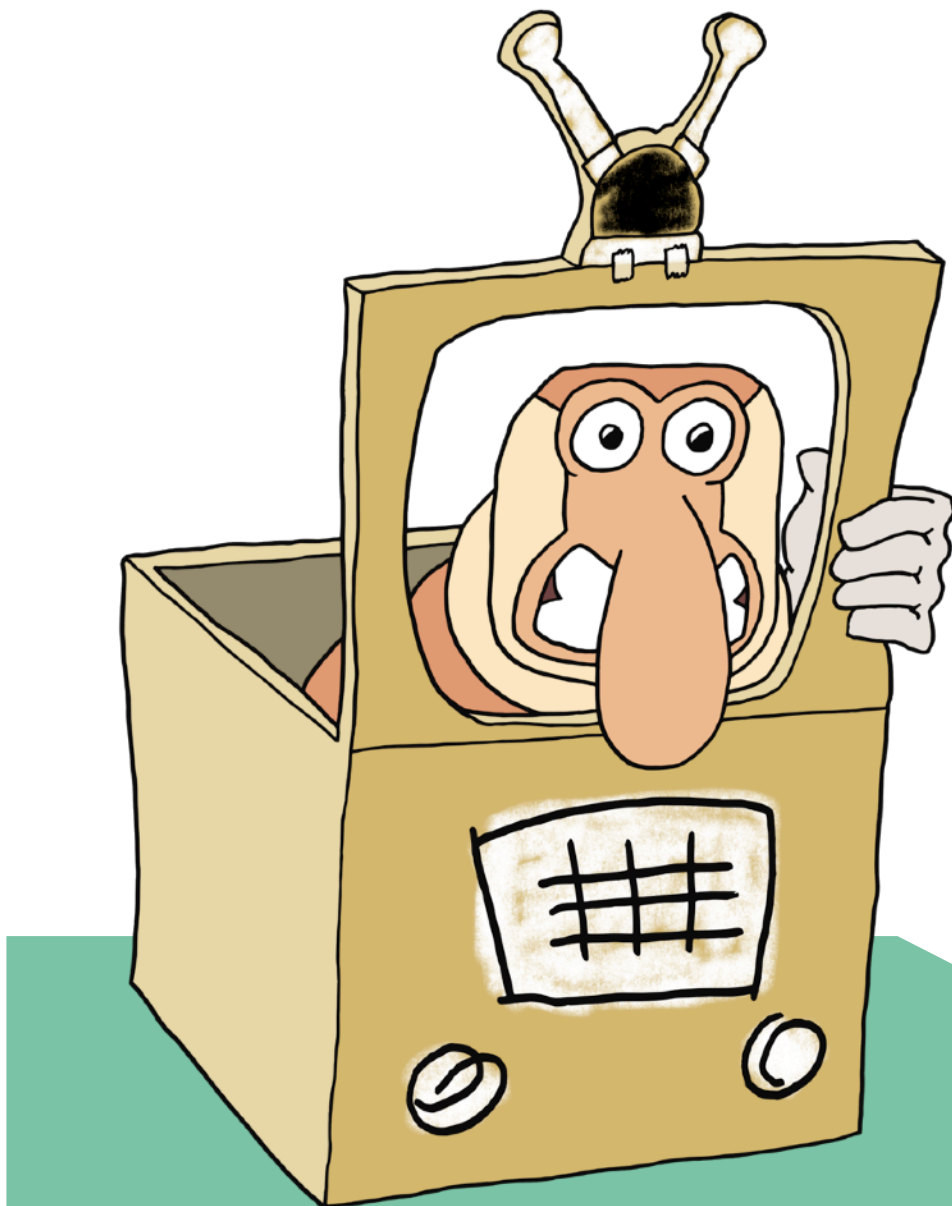

I'm supposed to help my mom,  
by peeling 'taters.

But as for the moment,  
we're circumnavigators!

ARRRR!

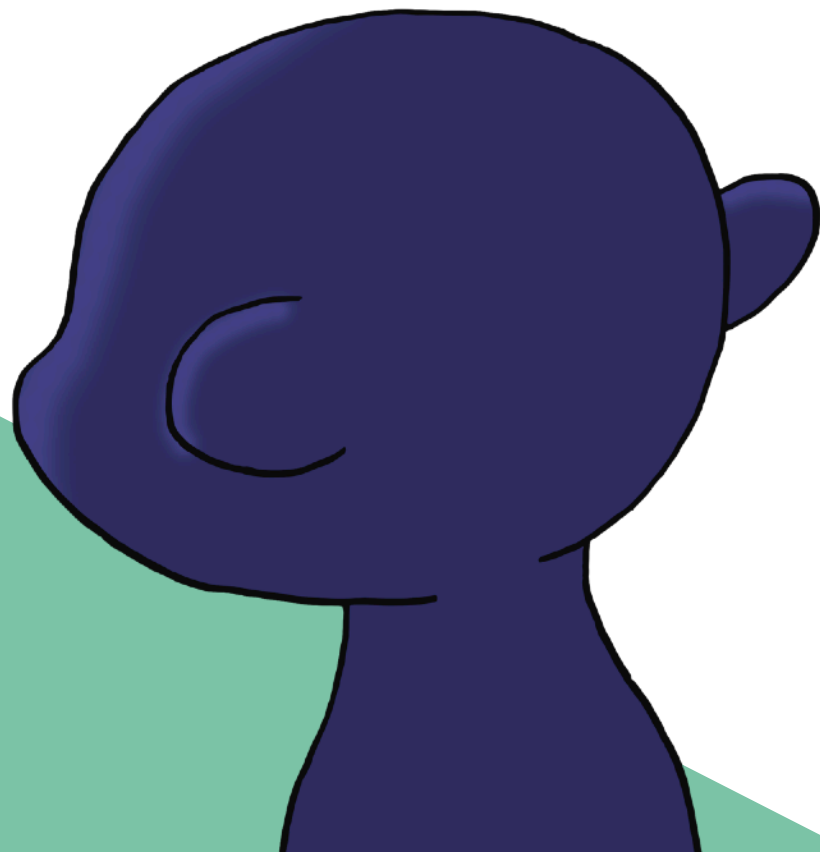

ARRRR!

circumnavigator: someone who travels completely around the world

Then I have to do the dishes,  
sooner or later!

But right now I'm watching  
a tv commentator!

investigator: someone whose job is to examine crimes

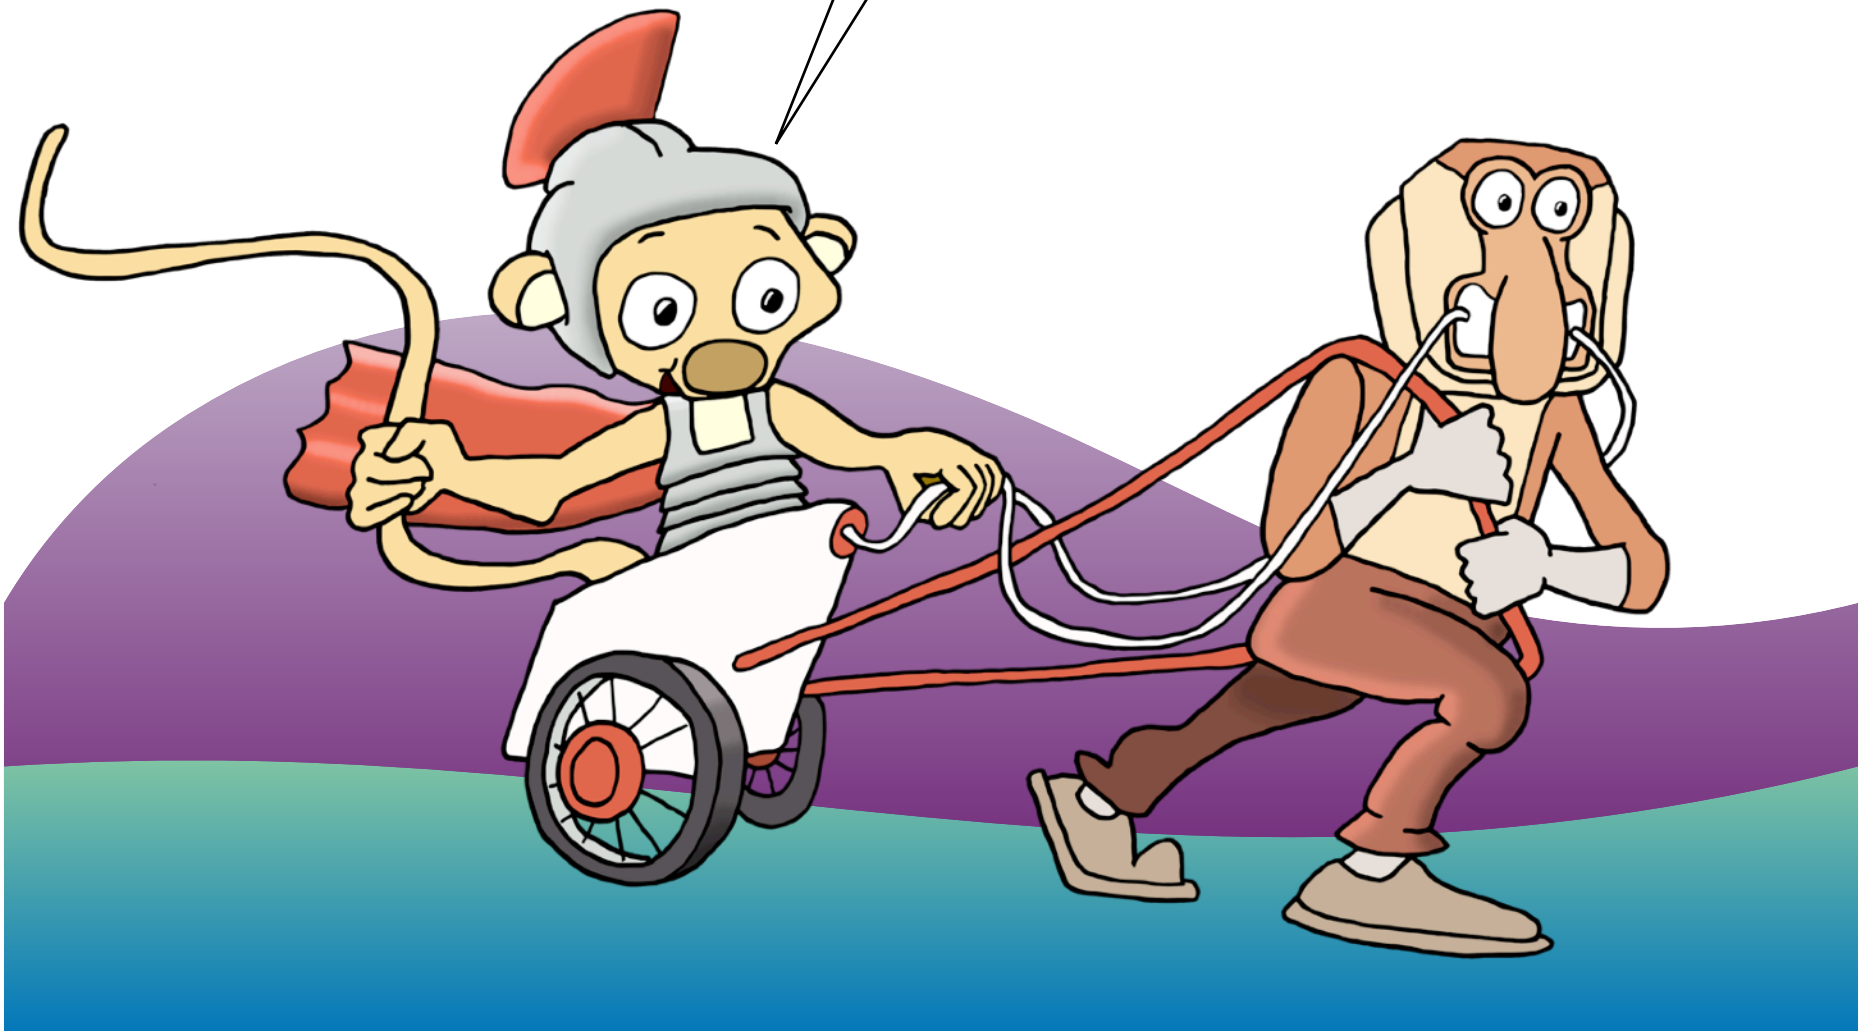

perpetrator: someone who commits an illegal act

Kinkajou, don't forget to...

Ahhhh, I'll do it later,  
alligator!

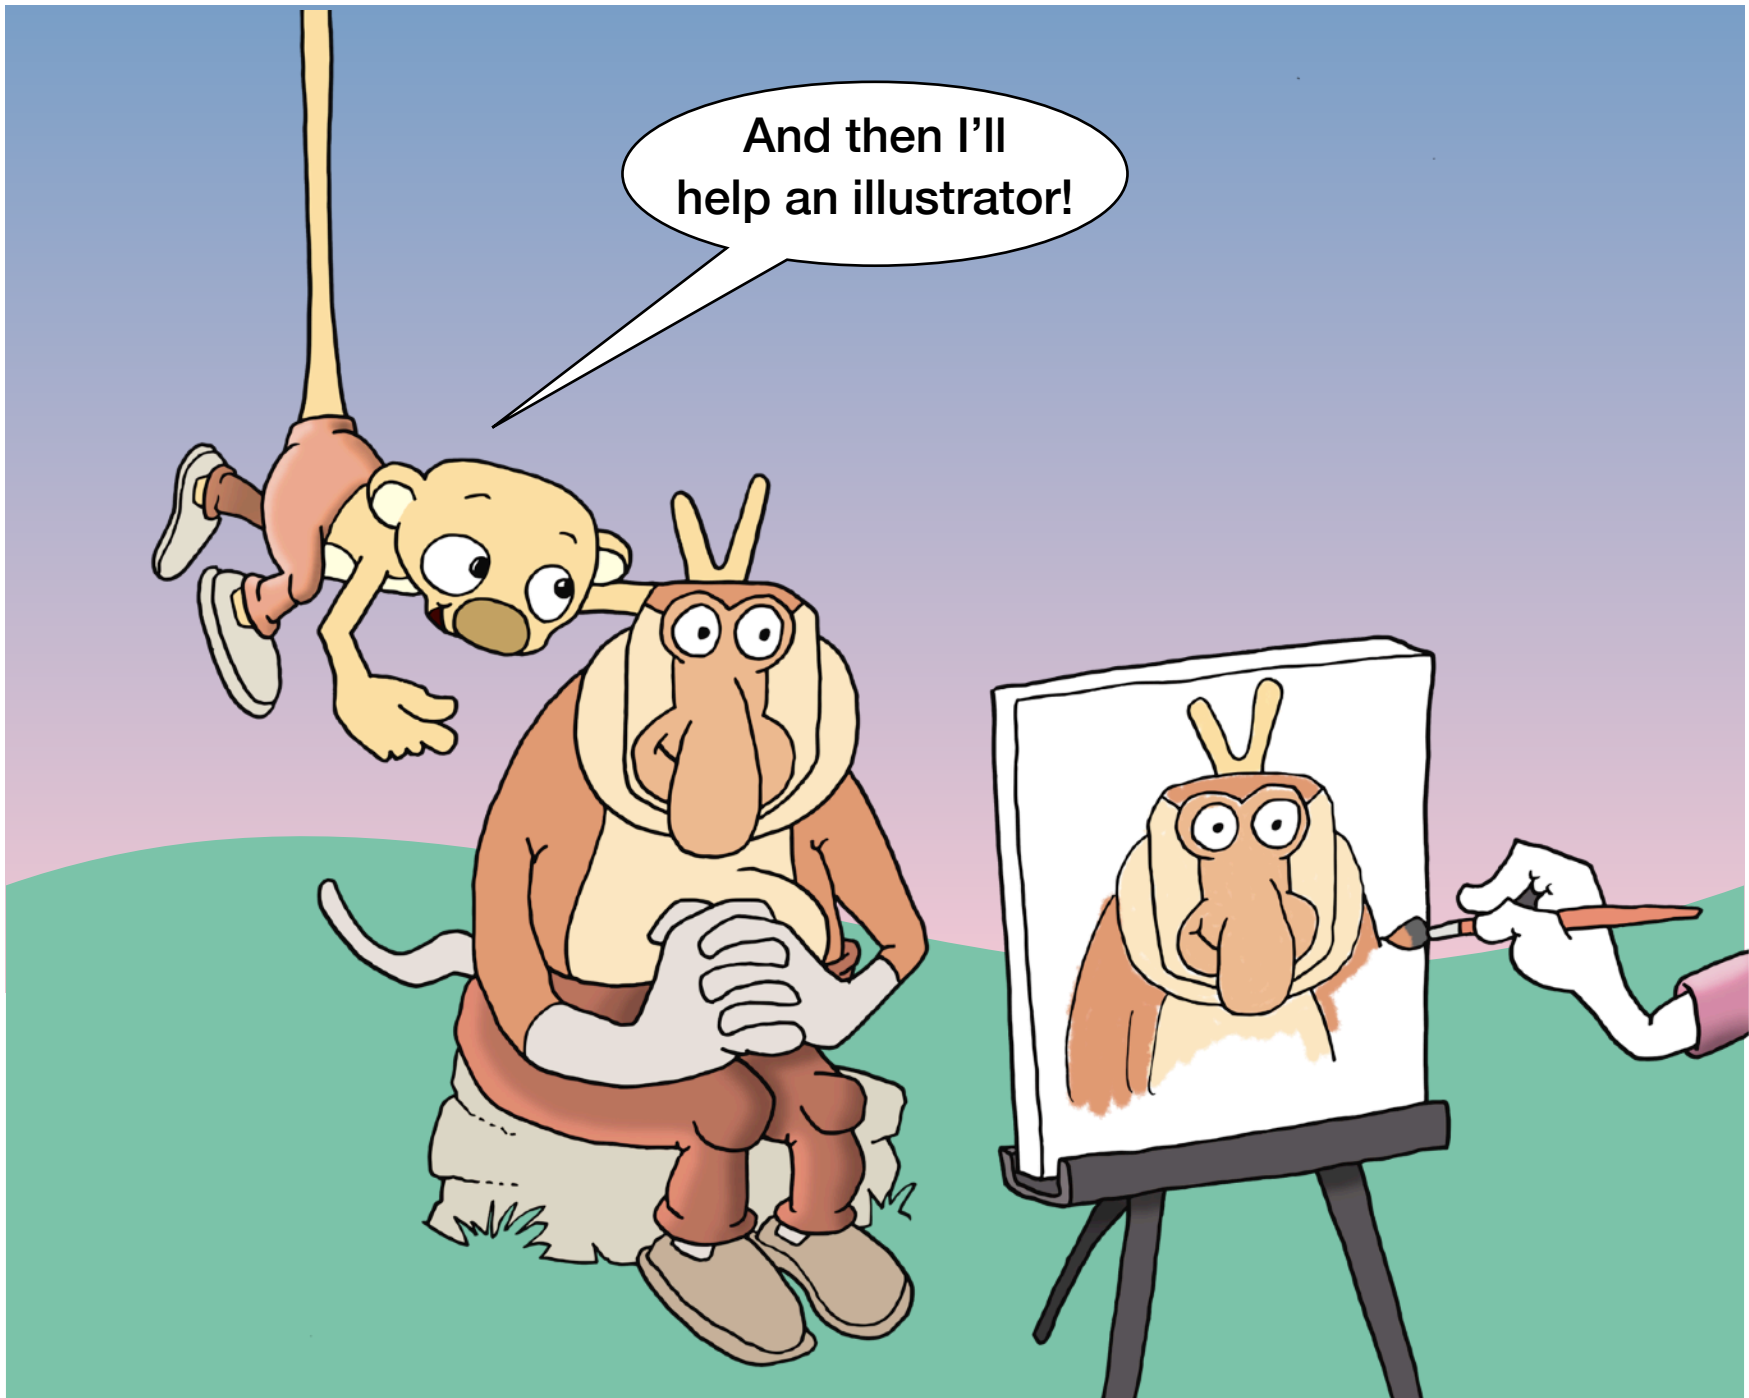

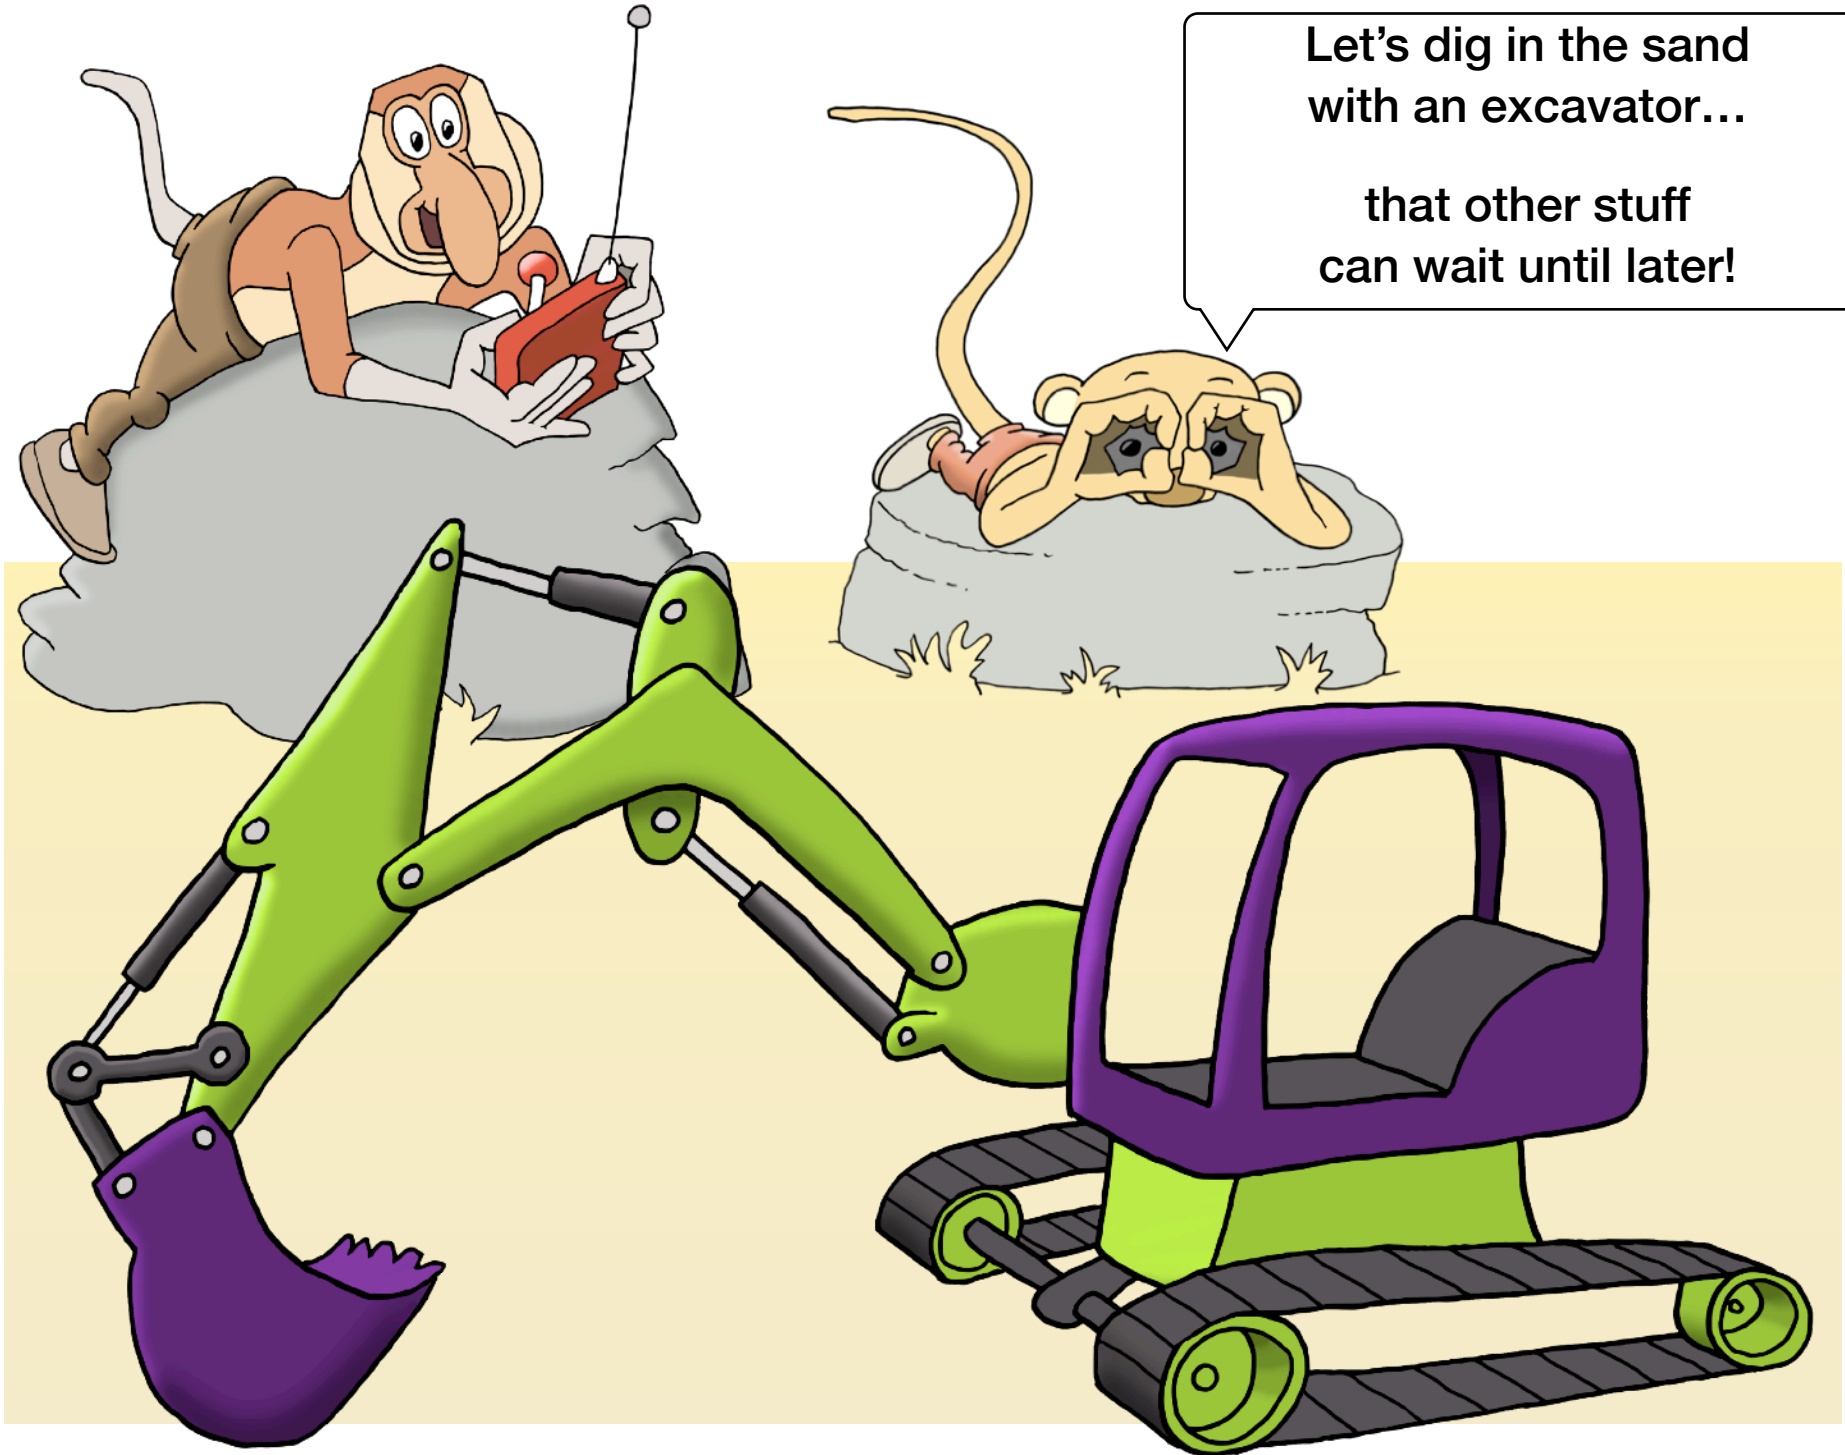

Now it's time to play  
Gladiator!

And then I'll help an illustrator!

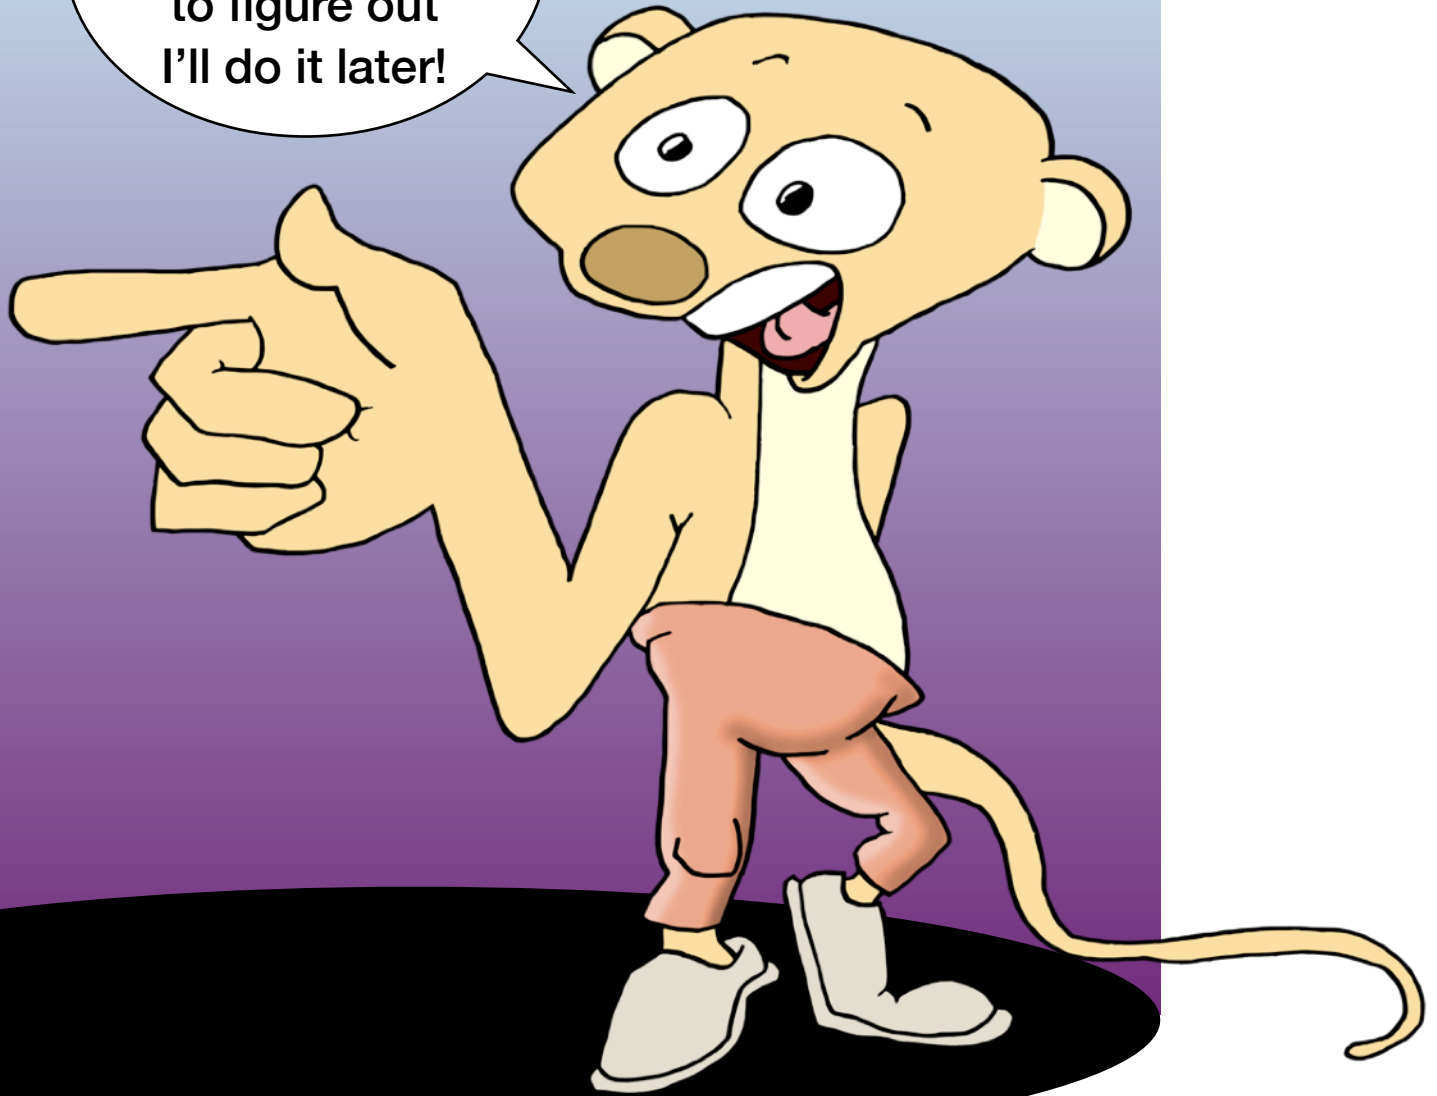

Let's dig in the sand  
with an excavator...  
that other stuff  
can wait until later!

Kinkajou!  
It's time to....

It doesn't take  
a calculator  
to figure out  
I'll do it later!

“Well, it got later and later,  
I’d been quite the procrastinator!

Then as you’ll probably assume,  
I finally had to clean my room!

And so, I rushed  
to deposit

all of that mess  
in the closet!”

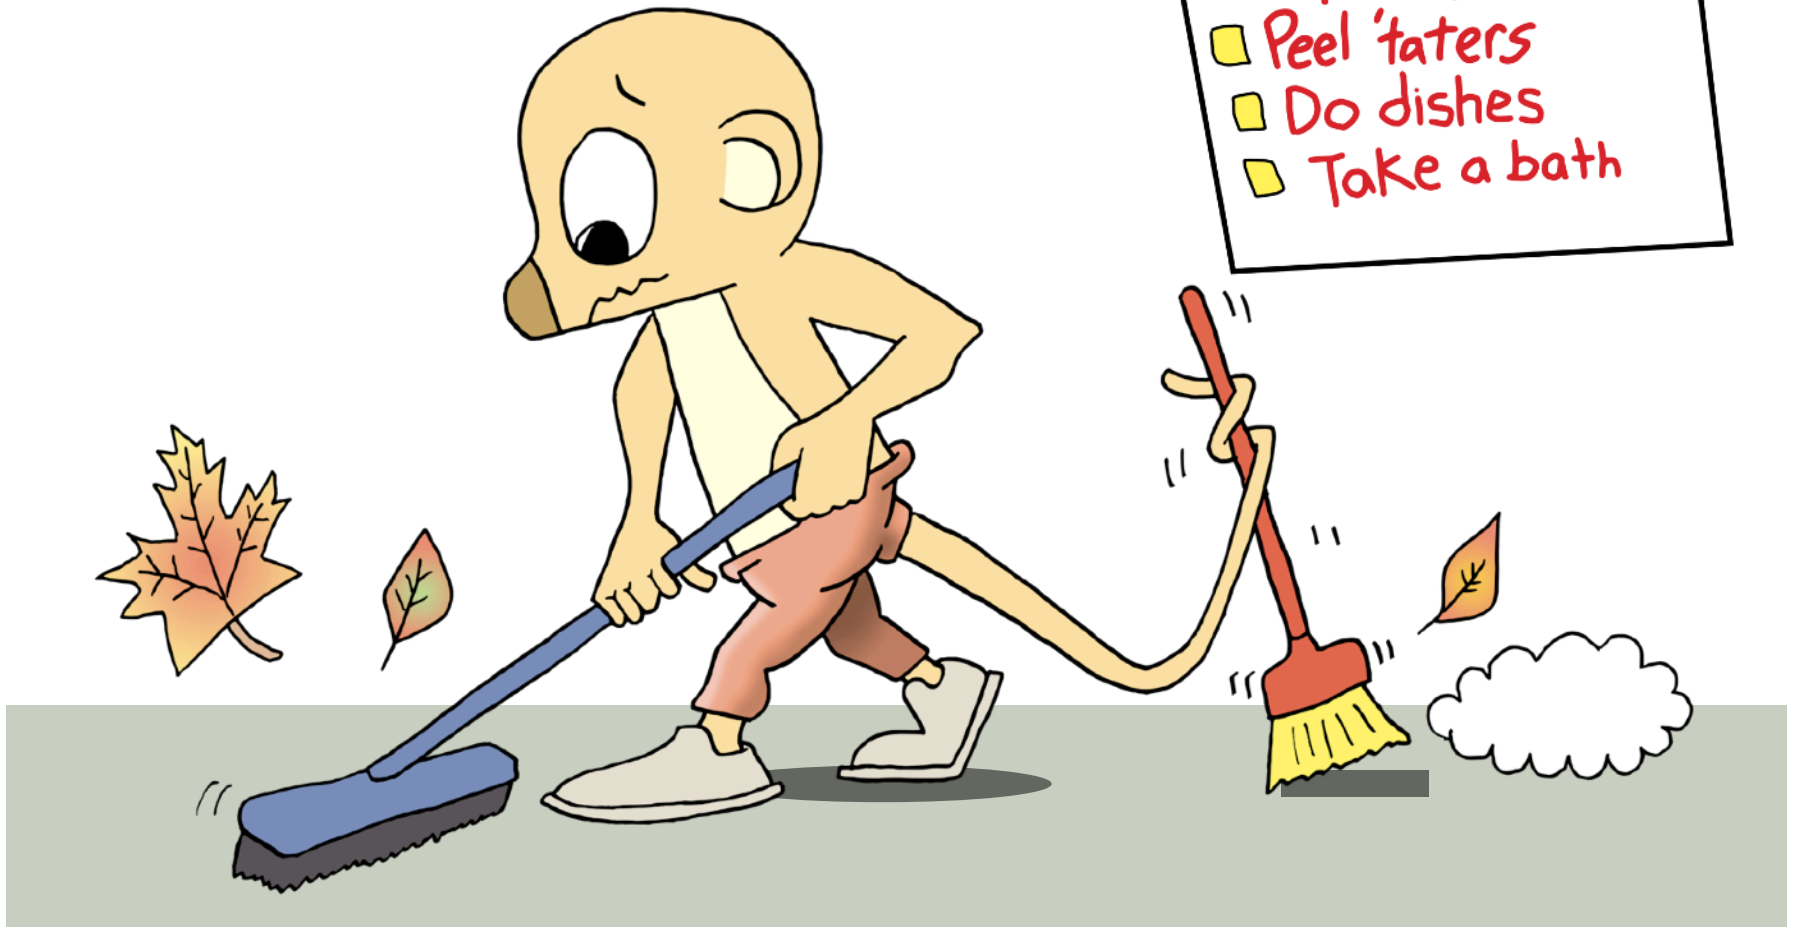

procrastinator: someone who puts off doing things

“I had no time to talk,  
I had to sweep the walk!

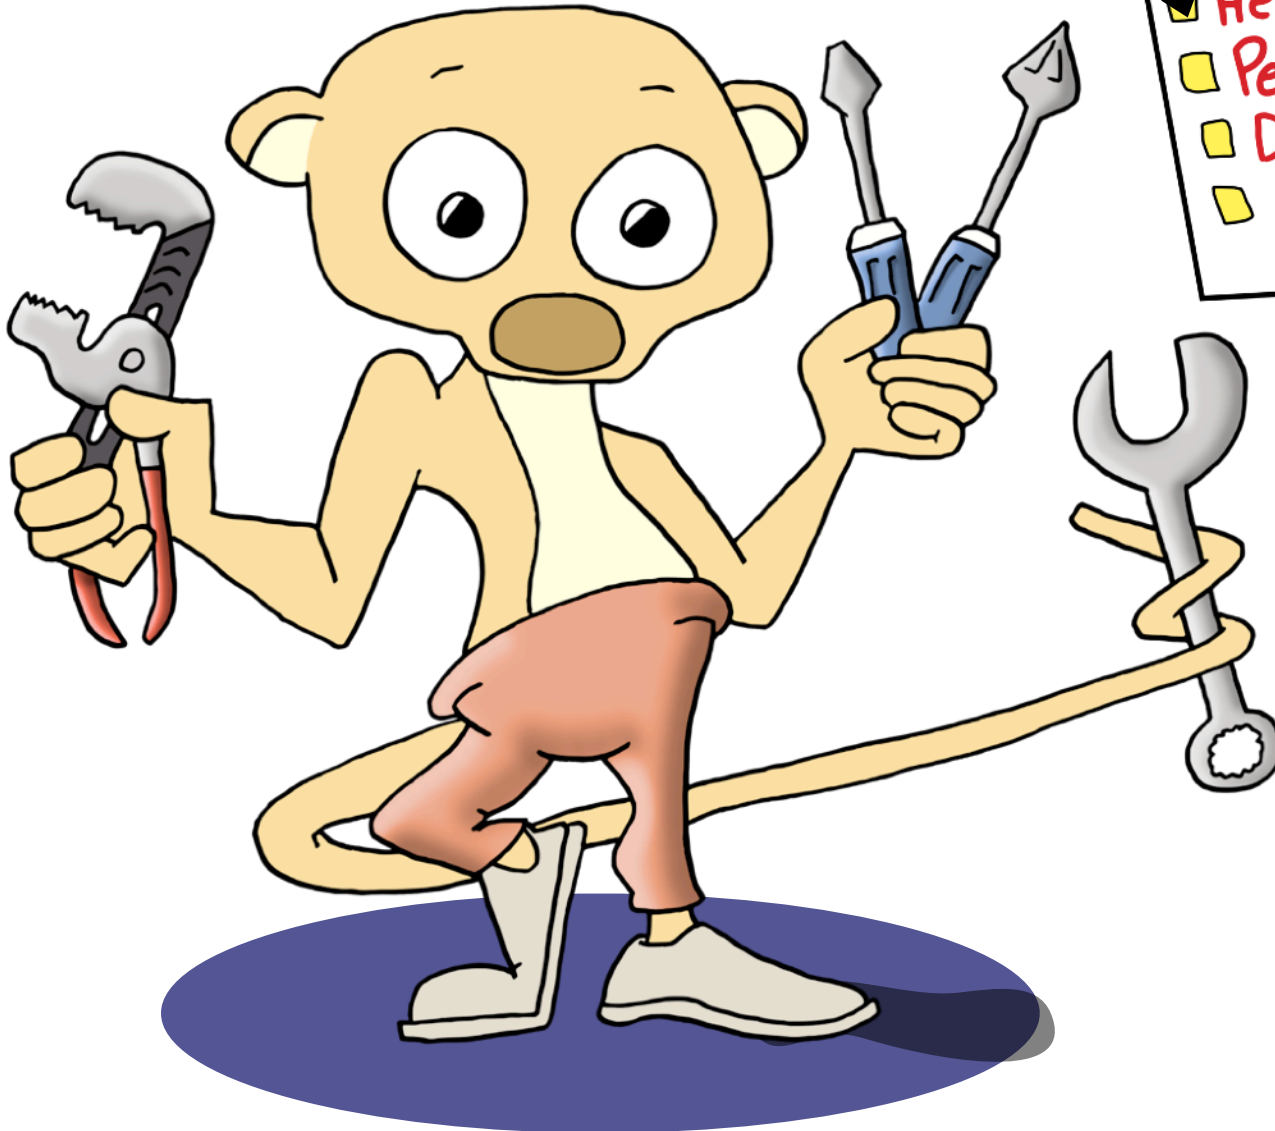

I didn't get very far,  
then I had to help Dad with the car!”

- Do homework
- Clean your room
- Sweep walk
- Help Dad with Car
- Peel 'taters
- Do dishes
- Take a bath

“Helping Dad fix the car  
would’ve been fun,

but by the time I got there  
he was almost done!”

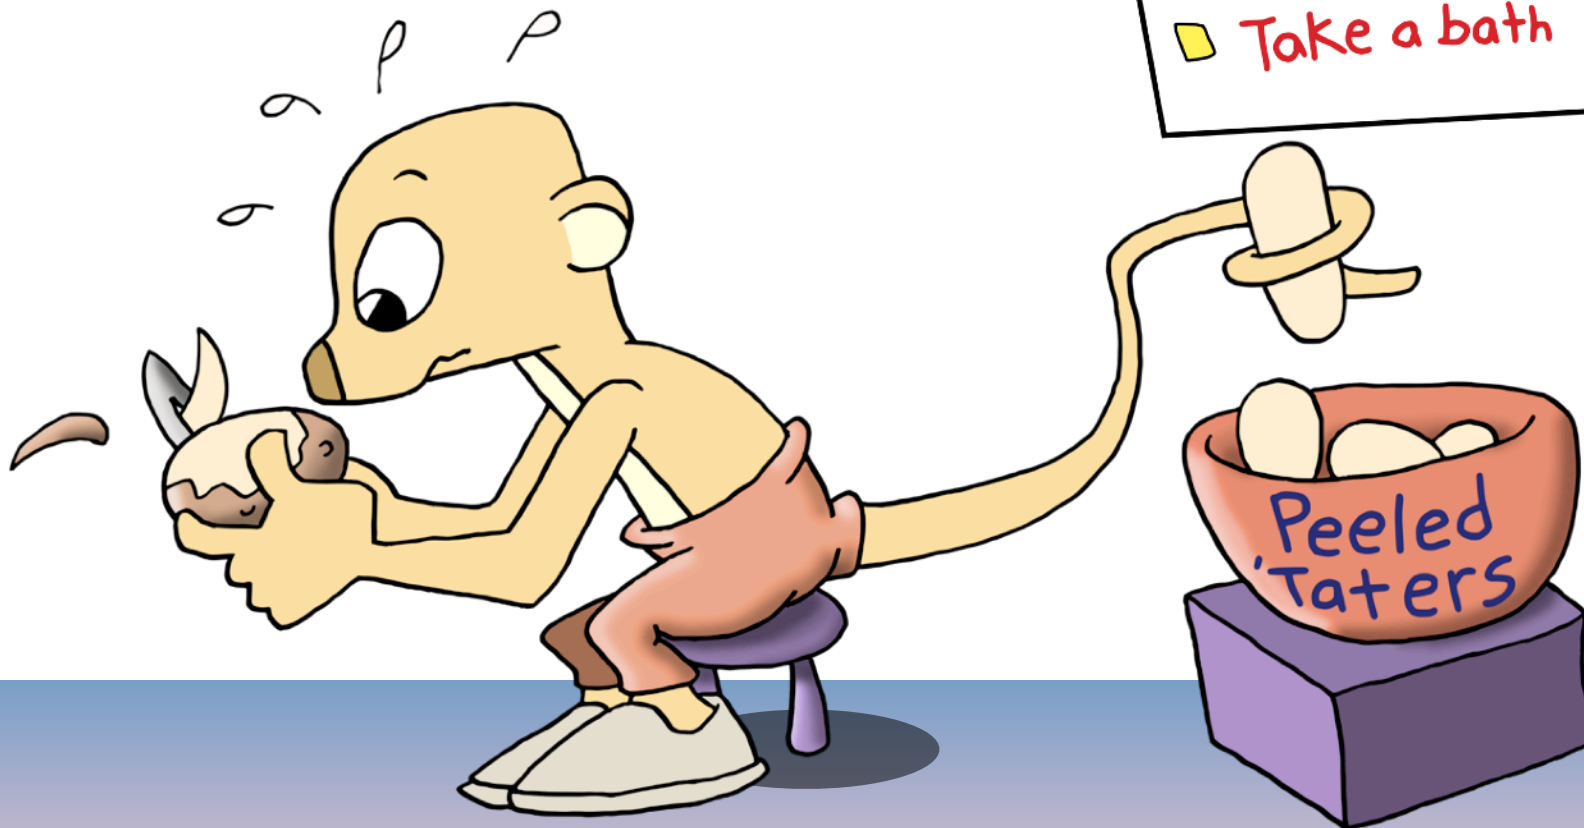

- Do homework
- Clean your room
- Sweep walk
- Help Dad with Car
- Peel 'taters
- Do dishes
- Take a bath

“After all those  
‘do it later’s’

I still had to  
peel the ‘taters!’”

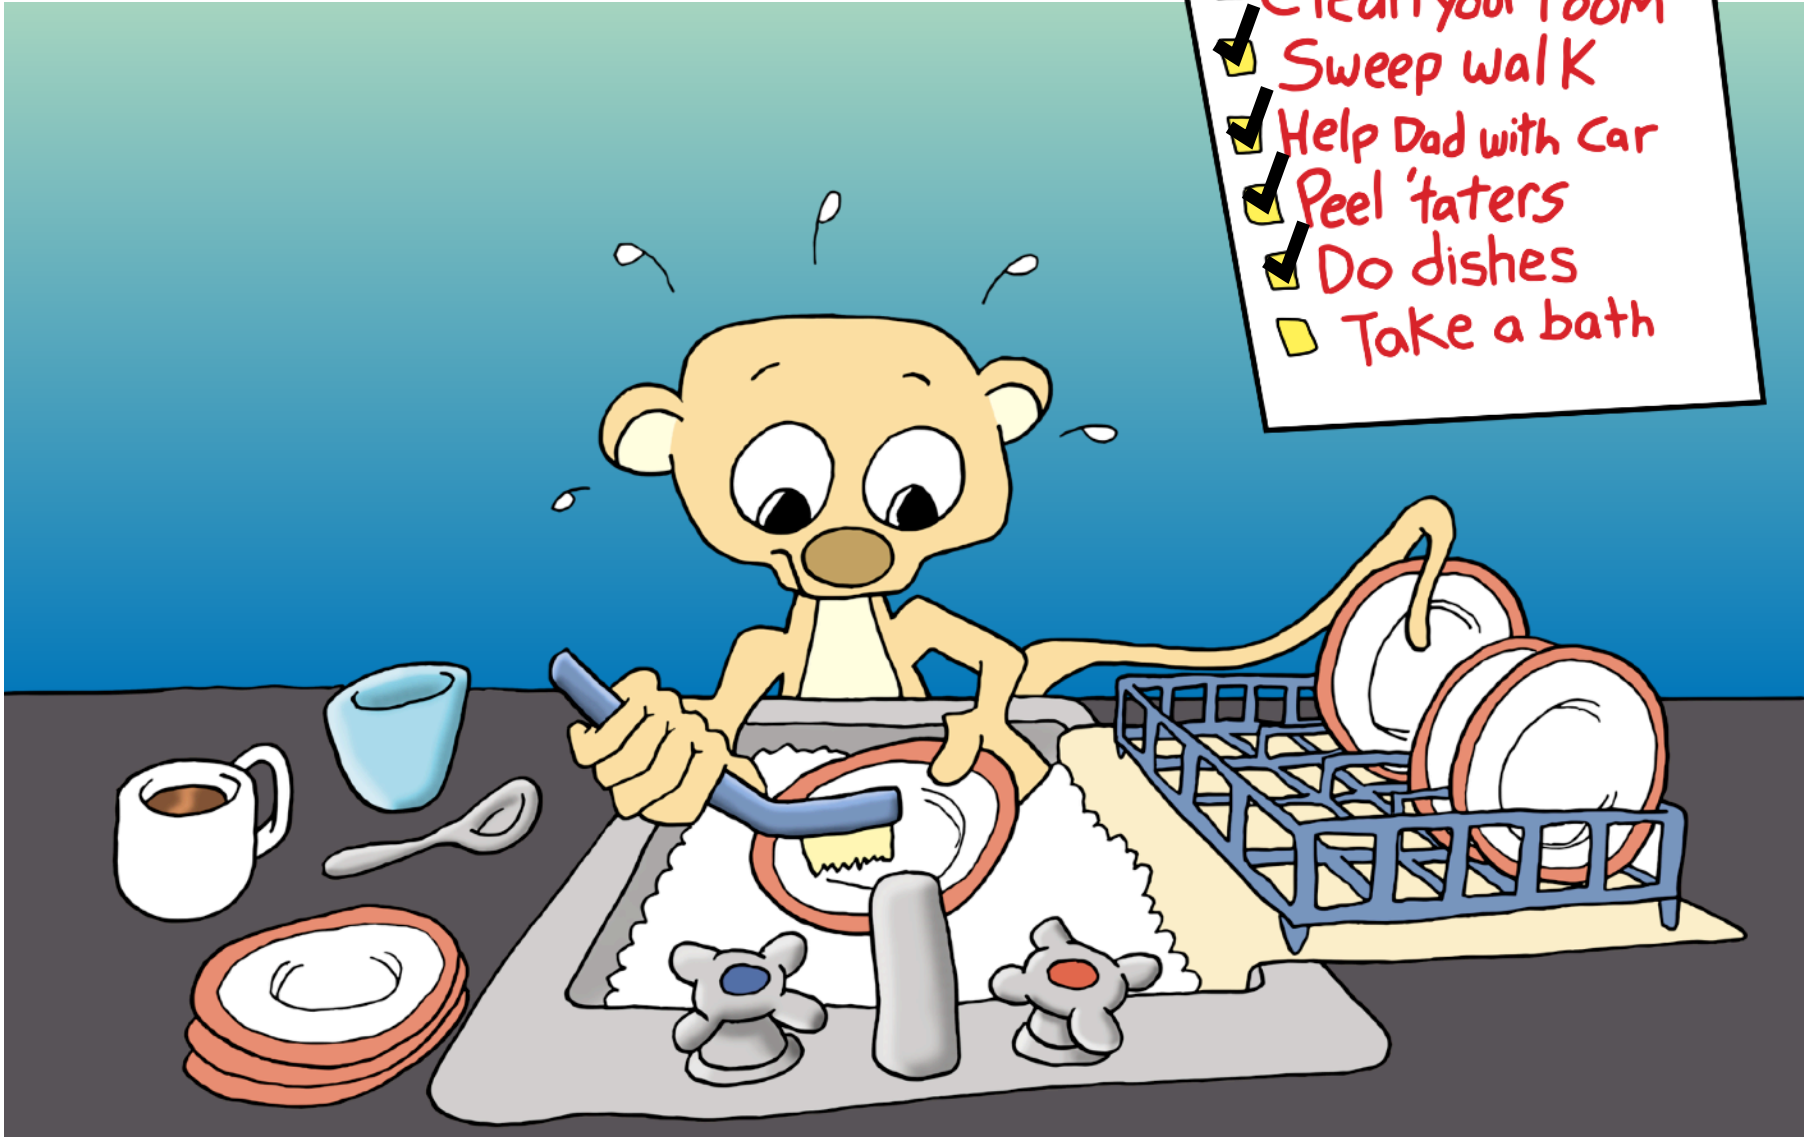

- Do homework
- Clean your room
- Sweep walk
- Help Dad with Car
- Peel 'taters
- Do dishes
- Take a bath

“Once we had dinner,  
to grant my mom’s wishes

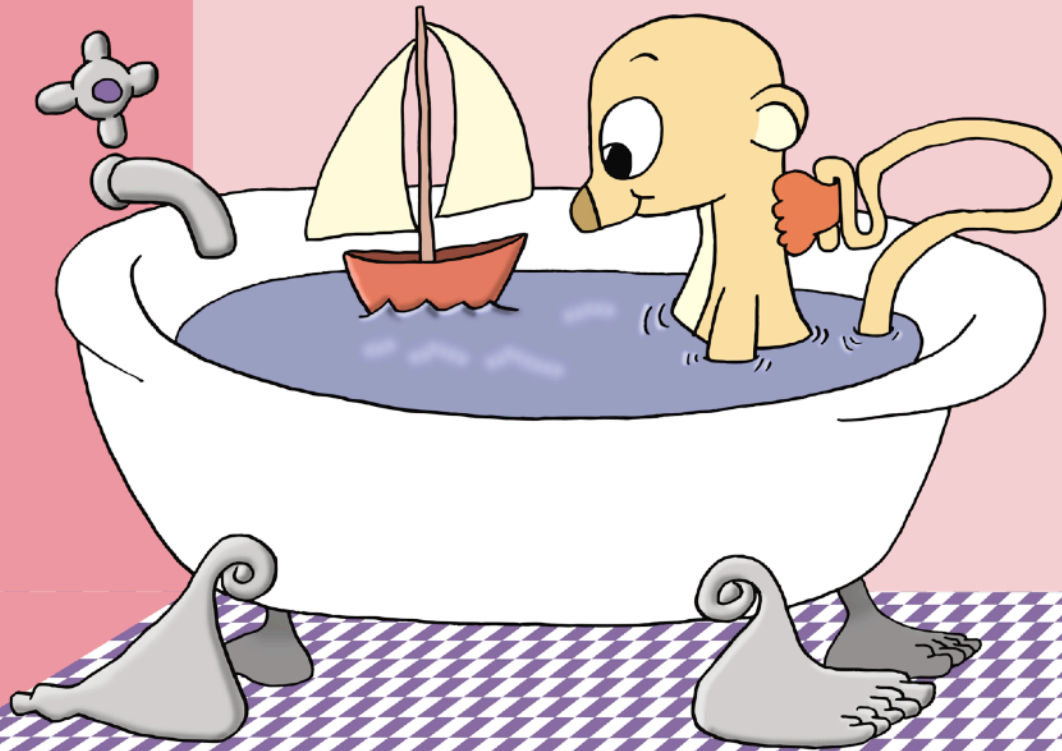

I had to help  
do the dishes.”

- Do homework
- Clean your room
- Sweep walk
- Help Dad with Car
- Peel 'taters
- Do dishes
- Take a bath

“Last, it was time to scrub and scrub myself squeaky clean in the tub!”

- Do homework
- Clean your room
- Sweep walk
- Help Dad with Car
- Peel 'taters
- Do dishes
- Take a bath

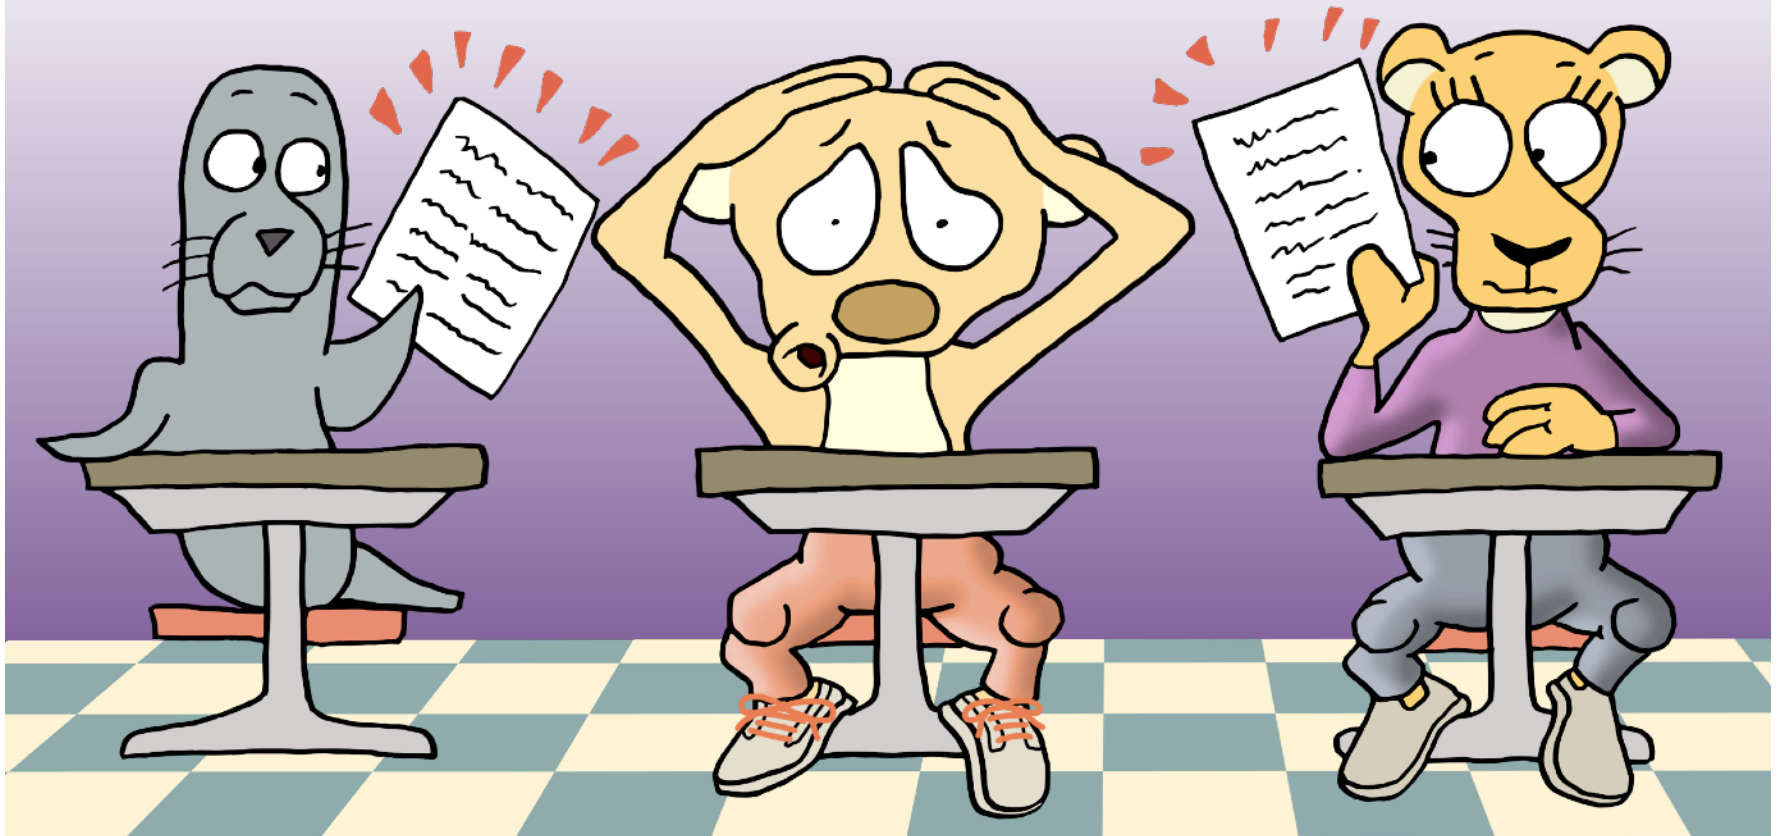

“As I lay  
in my bed

these thoughts ran  
through my head:

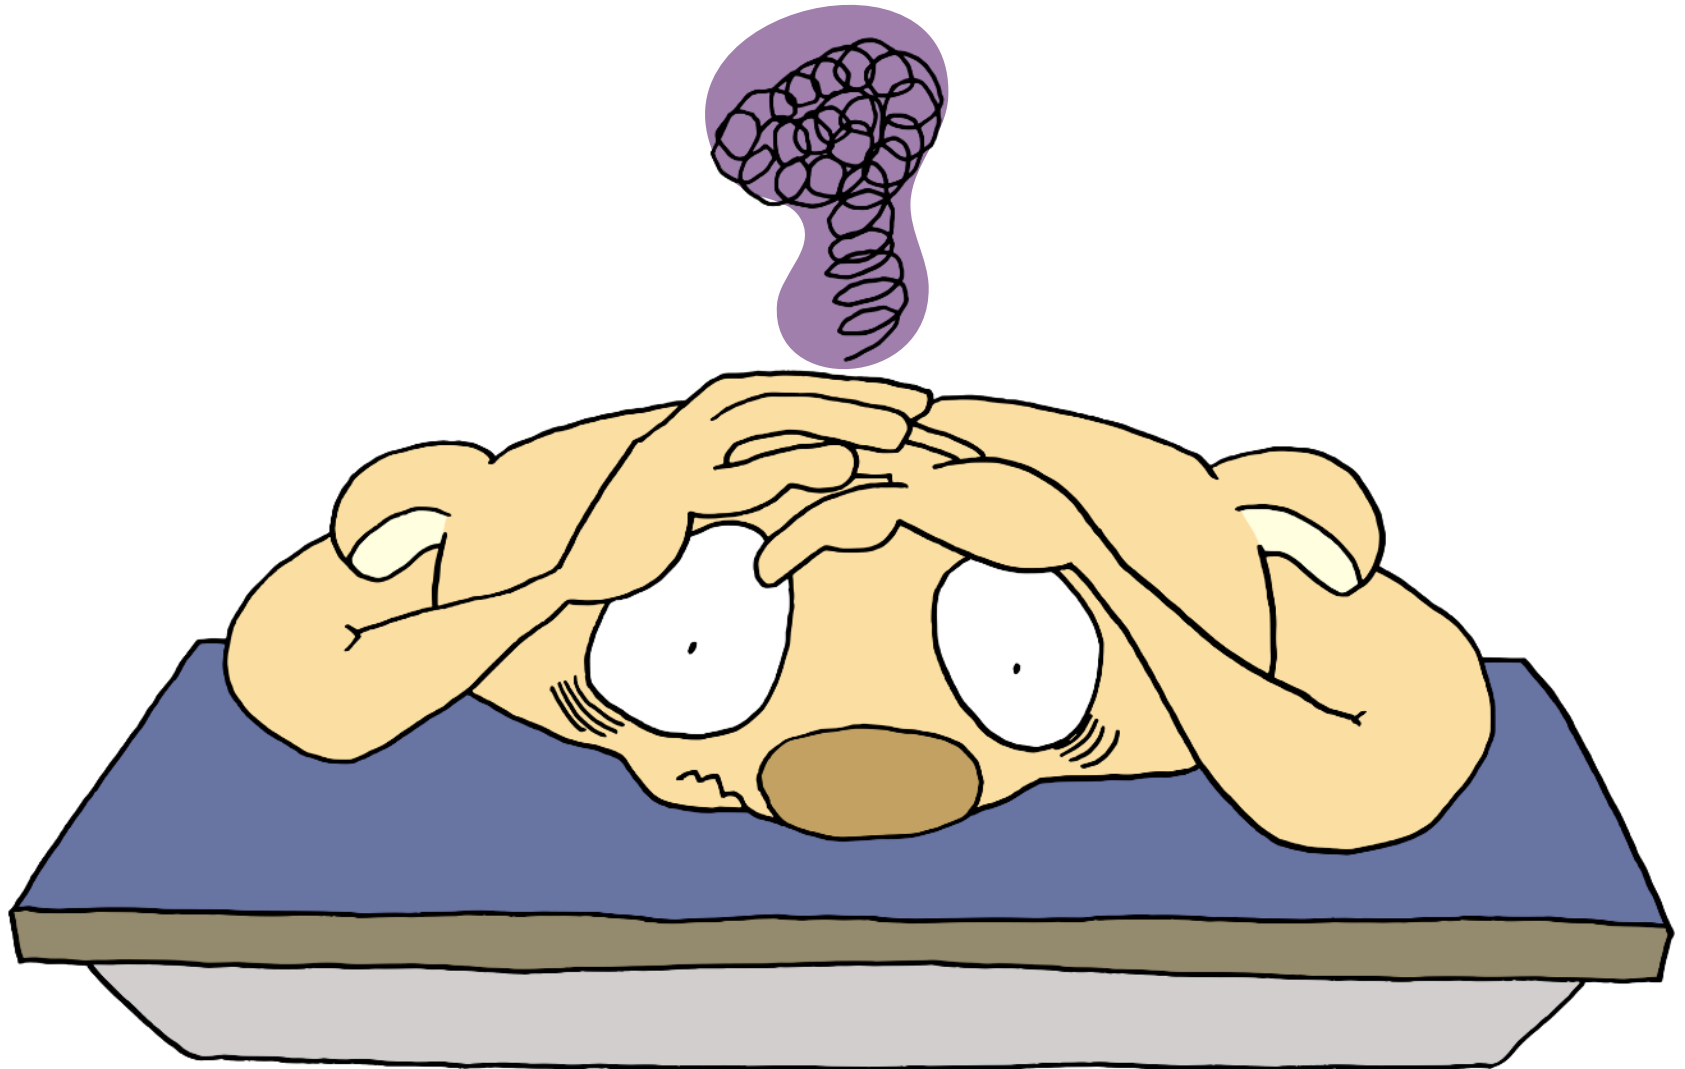

To play before chores  
I just couldn't resist,  
  
but didn't I still get  
to my whole To-Do List?”

“But the next day I realized  
I was such a procrastinator,  
I forgot to do my homework  
about life on the equator!”

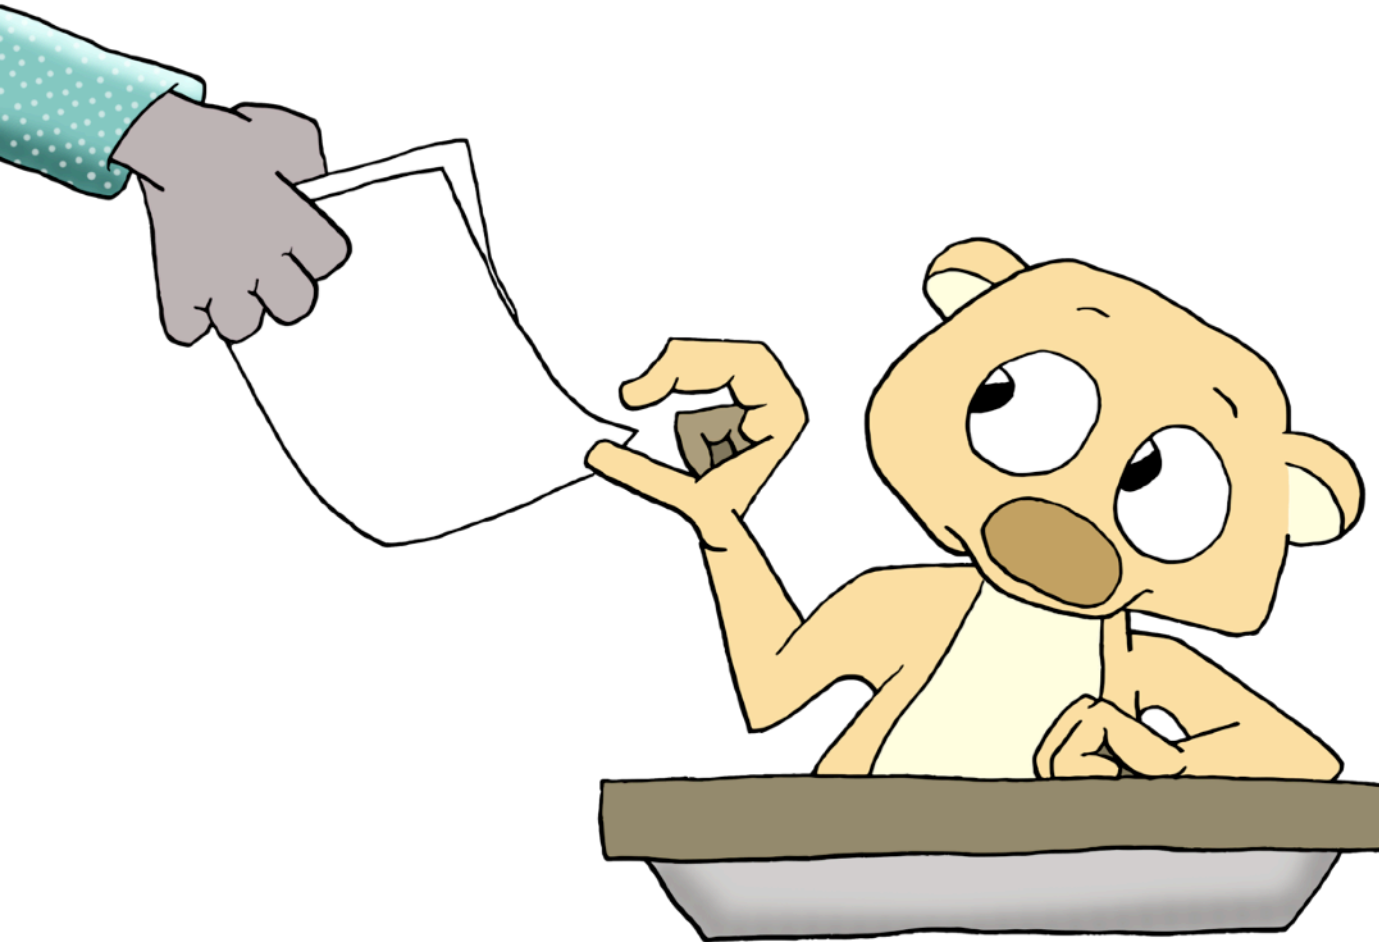

“Forgetting my homework  
wasn’t cool,  
but I can make it up in Homework Club  
after school!”

In order to manage  
your time a little better,  
make your own To-Do List  
and follow it to the letter!

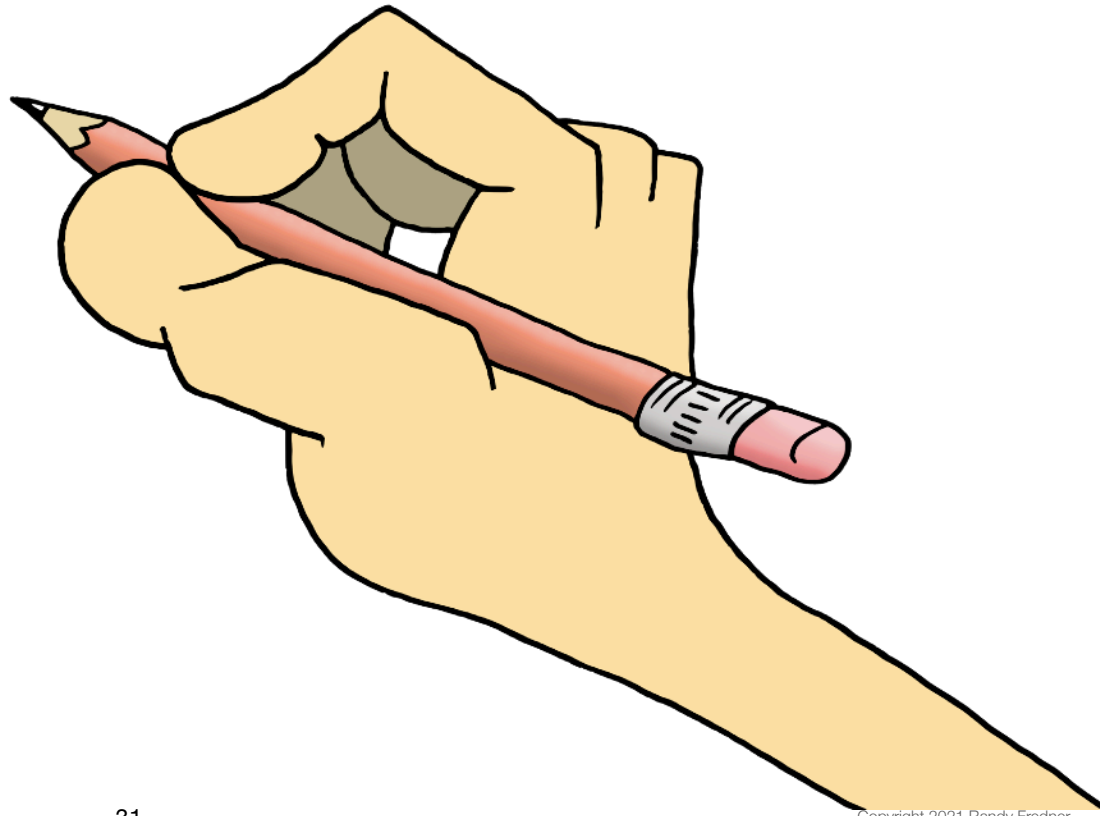

## HOMework CLUB

“I think  
when I get home today,  
I’ll do my work first,  
*then I’ll...*”

PLAY!

“As the teacher did insist  
I checked off everything  
on my To-Do List!

Now it’s time to take a ride  
with Proboscis  
on the elephant slide!”
